## 4 TANEYTOWN YOUTHS FACE ARSON CHARGE

Four Taneytown youths, aged 16 and 17 years, face the next session of the Carroll County grand jury on arson charges in connection with the fire which destroyed the Leonard Long dairy barn, a half mile south of Harney early Tuesday morning.

The four, Claude Byers, Leo Foreman, Lewis Shifflet and Leroy Smith, all of Taneytown and Taneytown R. D., were apprehended Tuesday afternoon by Maryland State Police following an investigation of the fire.

They had been scheduled for a juvenile court hearing before Judge James E. Boylan Jr., Wednesday afternoon but Judge Boylan waived juvenile jurisdiction and the four were turned over to authorities for prosecution at the next term of Carroll County Court.

Byers and Foreman have been released on \$2,500 bond each while Shifflet and Smith were placed in jail at Westminster to await the court trial.

**Firemen Asked Probe**  
The fire caused about \$25,000 damage when the large barn was destroyed by fire along with most of the season's crops and a considerable amount of machinery. The flames apparently started in a straw stack close to the barn and spread from there to the building.

State police at Randallstown this morning would not say how the boys were linked with the fire except to state that they had been seen in the area before or about the time of the fire. Firemen asked a police investigation of the blaze and reported the fire to State Trooper George C. Wachter Jr., who covers the Taneytown area out of the Randallstown headquarters.

Harney and Taneytown firemen were called to the fire shortly after 2 a.m. Tuesday and were able to prevent a fire from spreading to the barn from burning. They also were able to remove some machinery.

## S. E. THOMAS SUCCUMBS AT BENDERSVILLE

Stanton E. Thomas, 46, died suddenly Wednesday evening at 8 o'clock at his home, Aspers R. 1, near Bendersville. Dr. C. G. Crist, Adams County coroner, said the death was caused by a coronary occlusion.

Mr. Thomas, who with his wife had resided for the last eight years in an apartment at the Paul Osborn farm, Aspers R. 1, seemed in his usual health Wednesday. He returned home from his work at Carlisle, had eaten supper and was seated in a chair reading a newspaper when he suddenly fell forward and death occurred.

He was a native of Biglerville, the son of Mrs. Bess Hartman Thomas, Biglerville, and the late Nile Thomas. He attended school in Biglerville and was graduated from high school there in 1929. He was a graduate of Gettysburg College and did graduate work at Johns Hopkins, Baltimore.

**Services Saturday**  
He had been an inspector for the Glen L. Martin Co., Baltimore, from 1942 to 1945. He taught one year in the Carlisle High School, and later was associated with his father in business in Biglerville. For the last several years he has been with the Reeves-Hoffman crystal and electronics plant in Carlisle where he was head of the cutting department.

Mr. Thomas was a member of the Lutheran Church in Biglerville, of the American Society of Tool Engineers and the Industrial Management Club of Carlisle.

Survivors are his mother and his wife, the former Dorothy Ely. Funeral services will be conducted Saturday at 2:30 p.m. in the Bender Funeral Home by the Rev. Dr. H. W. Sternat. Friends may call at the funeral home Friday from 7 to 9 p.m.

### TAKES APPEAL

Simon M. Redding, Gettysburg R. 2, charged by state police before Justice of the Peace Charles A. Hemler, Cumberland Twp., with reckless driving after a dump truck loaded with sand operated by Redding upset just west of town, has posted \$75 bond before the justice to stand trial in Adams County court on the charge, according to a transcript filed with the county clerk of courts.

## Daylight Time Ends On Sunday

Daylight Saving Time comes to an end at 2 o'clock Sunday morning.

However, to be on the safe side, readers are advised to set their clocks and watches back one hour when they retire Saturday evening.

Standard time will be resumed by churches, schools, industry and business Sunday after being "out of business" here and many other places ever since last April.

The resumption of standard time means that folks will get an extra hour of sleep Saturday evening and Sunday morning... unless, of course, they forget to turn their clocks back one hour.

## FREIGHT RIG CRASHES AT SEVEN STARS

A westbound tractor-trailer rig, loaded with corned beef and pineapples, ran off Route 30 at Seven Stars at 6:30 this morning, mowed down about 30 feet of private hedge, knocked out the center section of an electric pole, damaged two trees and stopped in front of the residence of Perren Rebert, Franklin Twp. justice of the peace.

Power lines flashed and intermittent interruptions in electric services were reported from a wide area. William G. Eggar, 29, of Pittsburgh, identified by state police as the driver of the rig, was thrown from the vehicle but apparently escaped serious injury. He complained that his hip hurt. Police said he apparently had dozed at the wheel.

**Estimate \$9,400 Damage**  
Rebert was awakened by the crash. He saw the flash of light from the wires and feared his barn was afire, he said. His electric clock had been stopped at 6:30.

Electric service was interrupted in four nearby homes and the garage of Battlefield Earthmoving, Inc. when a transformer was carried from the pole on the top of the trailer.

For the Rebert residence, the crash was the fourth that has occurred. Three times previously cars have crashed into the property and on one occasion the sun porch was extensively damaged. Two persons died as the result of one of the accidents.

Police said that they had made a tentative estimate of damage to the demolished tractor at \$8,200, to the trailer at \$500 and to the transformer, pole, porch steps and trees at \$700. The tractor-trailer was owned by J. W. Weiland, Pittsburgh.

## PLAN PARADE RALLY FRIDAY

About 16 floats are expected to participate in a parade through the streets here Friday evening in connection with the homecoming day activities at Gettysburg College. The parade and a pep rally, also to take place Friday, are sponsored by the Gettysburg College Booster Club.

Members of the college football team will be carried in the parade in convertibles. The team plays Muhlenberg here Saturday afternoon at 1:30.

Traditionally, each fraternity enters a float in the parade. This year the sororities will join to enter a float and another float is to be entered by the independent men and women students.

The parade will move south on Carlisle St. to Lincoln Square at 7 p.m., will go west on Chambersburg St. to Washington St., thence north to the campus.

Ross Lyons is president of the Boosters and Sally Shirk is vice president.

## CALL GUARD ON "TEST ALERT"

Adams County's National Guardsmen were called out Wednesday night for a practice alert and while they were at the armory covered next Monday's training also.

Lt. Donald E. Doersom, commander of the local Howitzer Company of the Second Battalion, 10th Armored Cavalry, said he was notified by the battalion adjutant from York at 7:15 o'clock that a practice alert had been declared and that under the rules only telephonic communication could be used to call in the Guardsmen. Under the test it was assumed that all radio and television communication had been cut off. By 8:15 60 per cent of the Guardsmen had arrived at the armory here in uniform ready for

## Jaycees Honor Two GHS Players Again

For the second time in two weeks Robert Furney and Roy Coldsmithe were honored Wednesday afternoon as Gettysburg High School's outstanding players.

Thomas Metz, president of the Gettysburg Junior Chamber of Commerce, Wednesday, at the regular school assembly presented Furney with the certificate for outstanding back in the October 17 football game. A similar certificate as the outstanding lineman went to Coldsmithe. The two had won the same honor in the October 10 contest.

The presentations were made as part of a Jaycee project to honor the outstanding football players of the high school in each week's contest.

## PLAN STUDY OF NEW SERVICE

A survey of existing private and public services available to the aged is to be undertaken by the Lutheran Inner Mission in the five-county area served by the social welfare agency, Mrs. Henry T. Bream, executive director, announced today.

She said the survey is to be part of a study now being made by the Inner Mission to determine how it can best serve the aged and avoid duplicating the work of existing agencies. Rev. G. Marton Ruess, Mechanicsburg, a director, is chairman of the study committee.

Mrs. Bream also announced that a steady increase in cases referred to the Inner Mission by pastors and others has made necessary the employment of an additional case worker. The service of such a person on a part-time basis is now being sought, she said.

The Inner Mission is an agency of the West Penn Lutheran Conference and operates in Adams, Cumberland, Franklin, Fulton and Perry Counties.

## Annual Red Cross Meeting On Tuesday

The annual meeting of the Adams County chapter of the Red Cross will be held next Tuesday evening at 7:30 o'clock at the YWCA building, Lincoln Square, according to notices which have been sent out by the chapter chairman, George W. Naugle.

In addition to regular reports, election of a third of the members of the board of directors will take place and then the board will hold its annual election of officers. Refreshments are to be served after the meeting.

## First Balloon Satellite Believed Lost In Space; Signals Fade In 6 Minutes

By VERN HAUGLAND

CAPE CANAVERAL, Fla. (AP)—America's first balloon satellite apparently was lost in the vastness of space today, and no one knew just why.

The Army launched a Jupiter-C rocket Wednesday night containing the collapsed 12-foot-diameter sphere, and tracked it by radio for about six minutes.

Then the signals went dead. Early today, military and civilian scientists in charge acknowledged that "it is practically certain the experiment was not successful and an orbit was not achieved."

**Performance Not Normal**  
"Radio records received from the satellite instrument package show the performance of the rocket was not normal," they said. "It was a disheartening end to an ambitious project for hurling an 18,000-m.p.h. orbit around the earth an object which would be visible to the unaided human eye at distances up to 1,500 miles."

## Round Table Will Hear Of '13th Road'

William G. Shoemaker, York St., will speak on "The Thirteenth Road" at the meeting of the Gettysburg Civil War Round Table to be held tonight at 8 o'clock at the GAR Post Rooms, E. Middle St., Secretary J. M. Sheeds has announced. The talk will be on the cavalry movements in the Gettysburg area, with the title referring to the fact that the mounted troops seldom used any of the 12 roads leading into Gettysburg.

## Fairfield Juniors To Present Play

"Plain English," a three-act comedy, will be presented by the junior class of the Fairfield Joint High School Friday and Saturday nights. The play will be given in the high school auditorium under the direction of Gary Bechtel. Curtain time is 8:15.

Included in the cast are Barbara Miller, Donna Jean Myers, Tynia Trimdon, Ann Musselman, Jay Martin, John Mott, George Wenschel, Dean Snively and Carolyn Adelsberger.

### FILE ESTATE BOND

Elizabeth Maust filed an administration bond in the estate of Gerald Lee Maust, late of Gettysburg in the office of the register and recorder today.

## Twin Boys Are Stabbed Immediately After Birth

SYRACUSE, N.Y. (AP)—A wife gave birth to twin boys at home today and they were found stabbed, one fatally.

Police questioned the mother, Mrs. Gertrude Pearson, 33, at Memorial Hospital.

They held her husband, William, 43, and her mother, Mrs. Gladys O. Noyes, as material witnesses. Mrs. Pearson told police she and her mother were alone in the house.

## LITTLESTOWN SENIOR WINS APPLE TITLE

Mary Jane Arentz, Littlestown High School senior and daughter of Mr. and Mrs. Ivan Arentz, Littlestown R. 2, is 1958 Apple Dessert Queen of Adams County, as a consequence of the decision of three judges who picked her from six contestants from as many schools in a bake-off at the Littlestown High School Wednesday evening.

Runner up is Darlene Funt, Gettysburg High senior and daughter of Mr. and Mrs. Ray F. Funt, Orrtanna R. 1.

The winner will go to York Tuesday afternoon to compete in a pre-state contest and, if successful there, will compete in the state finals in York November 1. Queens from four counties, Adams, Cumberland, Erie and York, will vie in the pre-state elimination.

Queens have been or are being selected in 16 Pennsylvania counties and will compete further in other pre-state run-offs.

The Adams queen has had six years of home economics training in school. Her teacher is Mrs. Virginia Sheely. Miss Funt had five years of training. Her teacher is Miss Eva Jane Schwartz.

**Local Winners**  
The others who competed in the county contest, their schools, years of training and teachers are:

Carol Lee Frantz, daughter of the Rev. and Mrs. Nevin Frantz, Arendtsville, Biglerville 10th grade, three years, Mrs. Mary A. Diehl.

Margaret E. Cullison, daughter of Mr. and Mrs. Harvey E. Cullison, Fairfield R. 2, Fairfield 12th grade, five years, Mrs. Nancy Hebrank.

Ann Dockey, daughter of Mr. and Mrs. Selon F. Dockey, Carlisle (Continued On Page 4)

## ASK \$140,000 DAMAGES FROM PIPELINE FIRM

Damages totaling nearly \$140,000 are sought from the Texas Eastern Transportation Corporation by 37 property owners in the Dover and East Berlin area, through which an allegedly defective natural gas pipeline runs, in an equity action filed Wednesday in Common Pleas Court, York.

The plaintiffs, including four others not asking damages, also seek an injunction restraining the defendant from maintaining the allegedly defective pipeline from Marietta to East Berlin.

The complaint claims the line was installed about 1942 for war purposes by the defendant or its predecessors and that a faulty supply of pipe was used which led to four severe explosions. They are listed as July 9, 1952, on the property of Edward H. Streg; July 13, 1952, on the property of Daniel Morrison; Jan. 24, 1957, on the property of Chris Lamparter and June 23, 1958, on the property of Lewis W. Lighty.

**Live In Fear, Discomfort**  
It is charged "the defendant used and maintained the defective pipeline without regard to the safety and welfare of the plaintiffs and others, and the fear and discomfort caused is so great they are unable to rest and sleep in peace and quiet or pass over the pipeline with free mind or farm their land in peace."

The complaint further charges "this hazard and fear engendered by it has caused several families to move from the vicinity of the pipeline, and this condition has also resulted in depreciation of market value and living conditions of the plaintiffs, as well as direct damage to lands, crops or property of some of the plaintiffs."

**Property Depreciation**  
The plaintiffs also claim "the defendant has been applied to repeatedly about said nuisance, even to the extent of pending legislation since 1957 to give the Federal Power Commission power over this type of business, and has refused to make this section of

## Auto Crash Victim Buried Wednesday

Funeral services for Warren Lee Gochenaur, 37, Mechanicsburg R. 2, a native of Adams County, who was fatally injured Sunday when his car crashed two miles west of Mechanicsburg, were held Wednesday afternoon at the Myers Funeral Home, Mechanicsburg, with his pastor, the Rev. Charles L. Rowe, officiating. Interment was in the Trindle Spring Cemetery.

Among the survivors are his widow, Esther Slusser Gochenaur, and his mother, Edith Starnier Gochenaur. Through a typographical error, the name of the mother appeared as the name of the wife in a prior story concerning the accidental death.

## GAME POSTPONED

Because of heavy rains which have soaked the field, the Gettysburg and Hanover Junior High School football game, scheduled to be played here this afternoon, has been postponed until Monday at 3:30.

## Mrs. Fred Thomas Dies On Wednesday

Mrs. Nora (Griffith) Thomas, 73, widow of Fred W. Thomas, died Wednesday afternoon at 3:30 o'clock at the Pape Convalescent Home, where she had been a patient for a month.

A native of New Bloomfield, and a daughter of the late Rev. Thomas McGee and Isabella (Myers) Griffith, she was wed to Fred W. Thomas in Pittsburgh in 1909. The couple resided for many years on Gettysburg R. 3. Mr. Thomas died two years ago.

Survivors include a sister, Miss Isabella G. Griffith, Harrisburg.

Funeral services Saturday morning at 11 o'clock from the Prince of Peace Episcopal Church, Baltimore St., with the Rev. Harold Mowen officiating. Interment in Evergreen Cemetery. Friends may call Friday evening at 7 o'clock at the Bender Funeral Home, Carlisle St. The family has asked that flowers be omitted.

## ADAMS WOMEN WILL ATTEND LUNCHEON HERE

Miss Thelma Showalter, Mifflinburg, administrative assistant of the Pennsylvania Department of Internal Affairs for 16 years and a former high school teacher, will be the speaker Wednesday afternoon at 1 o'clock at the fall

luncheon meeting of the Adams County Federation of Women's Clubs at the Hotel Gettysburg.

Mrs. Paul E. Zeigler, president of the Adams County Federation of Women's Clubs, said all members of the affiliated clubs are invited to take part. Cos. of the luncheon will be \$1.75 each and those attending are to make reservations with their own club president before Monday.

Mrs. Harold Jones, Wormleysburg, vice president of the South Central District of the Pennsylvania Federation of Women's Clubs, will report on the recent district meeting at York and will introduce Miss Showalter.

The speaker is state chairman of the Department of Public Affairs of the Pennsylvania Federation of Women's Clubs, is a former club president, and a former president of the Union County Federation of Women's Clubs.

She is chairman of the Union County Board of County Commissioners, the second woman to be elected as a county commissioner in the state's history. Other women named as commissioners have all been selected by appointment.

She is a director of the Pennsylvania Welfare Forum, and a member of the Bucknell University Board of Trustees. She graduated from Bucknell University and did advanced work at Pennsylvania State University.

## WOMAN LOSES MURPHY SUIT; TO ASK RETRIAL

After 75 minutes' deliberation this morning, an Adams County jury at 11:30 o'clock found that the fall that broke the hip of Mrs. Elizabeth May Finney, 78, Harrisburg, in the G. C. Murphy Store here June 24, 1954, was not the fault or responsibility of the local store, and thus the store does not have to pay damages.

The verdict handed up by the jury to Judge W. C. Sheely at the conclusion of the trespass action brought by Mrs. Finney against the Murphy store read: "In favor of the defendant," and was signed by John B. Rummel as foreman.

Attorney Arthur Burman, Harrisburg, who with Attorney Walter Miller, Harrisburg, and Attorney Eugene Hartman, Gettysburg, represented Mrs. Finney, said following the verdict that "we will file for a new trial."

### Painful And Expensive

The jury was handed a series of four questions to answer along with its verdict. Mrs. Finney had claimed her fall in the Murphy store was caused by a "pool" of Myco-Sheen on the floor. The questions the jurors were asked to answer along with their regular verdict were: 1. "Was there a pool of Myco-Sheen on the floor at the spot where Mrs. Finney fell?" 2. Was there a pool of any substance other than Myco-Sheen on the floor at the spot where Mrs. Finney fell? 3. Was there a heavier solution of Myco-Sheen on the floor at the spot where Mrs. Finney fell than on the rest of the floor in the store? 4. If your answer to No 3 is yes, did this create a condition which was obviously dangerous?" The jury answered "No" to the first three questions, and thus did not have to answer the fourth.

Mrs. Finney's fall not only was painful, but expensive, according to the testimony given in the case.

She spent nearly two years in the hospital after the fall, suffering from a broken left hip. A pin was placed in her hip and failed to hold. A metal plate was inserted, there were long periods in which she was in traction, and another pin was placed in her hip. The testimony shows there is now a "suspicious" flattening of the hip indicating the pin is moving out, the bone becoming soft. She walks with crutches with difficulty.

Hospital and physician's bills submitted in the case totaled \$11,437.33 of which more than \$9,000 was in bills for her long periods in the hospitals and approximately \$2,000 bills of various physicians. She had also asked sums for pain and suffering.

## QUICK ACTION IN COURT ON DAMAGE SUIT

The Adams County court this morning held one of its briefest trials on record. It took longer to explain to the jury what was going on than it did to submit all the testimony in the case.

The trial was the action in trespass brought by Leo H. Collett, 20, Berwyn, against Robert L. Shultz, 34, Biglerville R. 2, as the result of an auto accident May 25, one-half mile south of here on the Biglerville Rd., when the Shultz car smashed into the Collett vehicle, demolishing it.

Judge W. C. Sheely explained that Shultz had made no defense against the trespass action and this gave a judgment by default to Collett. But, he added, "The only person or group that can set the amount of damages is a jury, so that is your job."

### Delay On Collecting

Collett was called to the stand, and testified, at the questioning by his attorney, John A. MacPhail, that his car had been worth \$400 before the accident and that he got \$25 for salvage after the crash. The court instructed the jury that if they agreed with Collett, then they should bring in a verdict in favor of Collett for \$375. The court also said that an owner is competent to set the value of his vehicle.

The jury then found a verdict in favor of Collett and against Shultz in the amount of \$375 and judgment was entered.

However it appeared that Collett will have to wait some time before he gets his money. Shultz was sentenced September 13 to return to Huntingdon prison where he had previously served six years on an indeterminate sentence. He was directed to be sent back after he had been found guilty of aggravated assault and battery and assault with intent to kill by a jury in September.

## SIX ARE KILLED WHEN PLANE HITS MOUNTAIN

HARRISBURG, Pa. (AP)—"If it had been 10 or 20 feet higher it might not have happened," said a man who saw an Air Force plane crash Wednesday.

The twin-engine C47 hit a fog-shrouded mountain top during a driving rainstorm, just two miles short of its destination, nearby Olmsted Air Force Base.

Jacob Springer, who lives in the mountainous York County area, said the plane clipped the peak and slid down the other side of the mountain, cutting a path through the trees, before catching fire.

**Six Are Killed**  
Six men—the four crew members and two servicemen traveling as passengers—were killed. They were:

Capt. E. D. Kossick, pilot of Struthers, Ohio; 1st Lt. J. O. Michale, co-pilot, Cotton Valley, La.; A. Z. C. William C. Bailey, flight engineer, Williamston, N. C.; Lt. Col. J. F. Tracy, navigator, Worcester, Mass., and Sgts. C. D. Jolley, Buzzards Bay, Mass.; and S. W. Christian, New Haven, Conn.

The plane was a routine cargo flight from Perrin Air Force Base, Denison, Tex., to Olmsted.

Personnel at the Harrisburg state airport said they were in radio contact with the crew an hour before the crash and learned the plane was flying on instruments because of the heavy rain and fog. That was the last radio contact.

## VFW PLANS TWO DINNERS

Plans for two dinners November 11 were outlined Wednesday evening at a meeting of Gettysburg Post 15, Veterans of Foreign Wars, and its home association.

Both dinners will be held at 6:30 o'clock, one the annual Athletic Night dinner for the members of the softball and junior baseball teams, the other the annual membership turkey feed. Plans call for the one gathering to be in the ballroom of the post home, the other in the basement rooms.

A meeting of post commanders, quartermasters and post membership chairman for the 21st district of the VFW will be held Sunday afternoon at 2 o'clock at the local post home on E. Middle St. Commander John Murray announced.

Patrick McDermitt, post quartermaster, reported 1958 membership in the local post now totals 122.

Fred V. Knox, Blue Ridge Summit, was elected a member. Edward Gastley, R. 5, was reinstated after having allowed his membership to lapse and Clyde D. Berger, Marion Station, Pa., one of the first commanders of the local post, transferred his membership back to the local unit.

## 4 CHURCHES GET BEQUESTS

Four Littleton churches will receive bequests according to the will of Edwin Dutterra, late of Littleton, which was entered for probate today in the office of the register and recorder. The Littleton National Bank is executor of the estate valued at upwards of \$20,000.

One hundred dollars was bequeathed to the cemetery association of Mt. Carmel Church for perpetual upkeep of the family lot. Semi-annual payments of the net income will be paid to his brother, Harry G. Dutterra, and sisters, Emma J. Messinger and Lucy Barnitz, in equal shares.

At the death of the last survivor, the trustee is to make semi-annual payment of net income as follows: 50 per cent to St. Paul's Lutheran Church; 25 per cent to the church "In memory of my beloved wife, Mary C. Dutterra"; 10 per cent to Centenary Methodist Church, and to Redeemer's Evangelical Reformed Church, and five per cent to St. Aloysius Roman Catholic Church, all of Littleton.

**The Beta Sigma Chapter** of Sigma Nu, 43 W. Broadway, will honor a brother member and his bride, November 2, at a reception to be held from 3 to 5 o'clock.

Charles Stein, general chairman for the event, said the fraternity is sending invitations to all faculty members and the board of trustees for the reception to be held for General Willard S. Paul, president of Gettysburg College, and Mrs. Paul. General Paul was initiated into Sigma Nu as a member of Delta Beta Chapter at Dartmouth as a student. Hostesses for the reception will include Mrs. C. William Harbaugh, Biglerville, and Mrs. Kathrine Kressman Taylor, Gettysburg R. D.

**Circle Six of the ULCW, Christ Lutheran Church**, will meet Monday afternoon at 2:30 o'clock at the home of Mrs. Charles Smith, 145 W. Broadway. Circle Three will meet Monday evening at 8 o'clock at the home of Mrs. W. R. Sammel, Gettysburg R. 3.

**The Halloween party** for children of members of the Gettysburg Country Club will be held Saturday afternoon from 2:30 to 4:30 o'clock. Prizes will be awarded for various costumes and to winners of games. Refreshments will be served. Children up to 12 years of age are invited.

**Mrs. Gertrude Kleindorf, Hummelstown**, Mrs. Sarah McCauslin, York, and John Brennan, Harrisburg, were recent guests of Mrs. Blanche Dougherty, Baltimore St.

**The Rev. William Fenstermaker** showed slides of Northern Germany, Denmark, Sweden and Norway to members of the Annie Danner Club Tuesday evening at the YWCA. The club will meet next Tuesday at the Y for a hayride. They will stop along the way for refreshments. All members were invited to the wedding of their president, Miss Johneta Murray, and Richard Stough, November 2 in the Methodist Church.

**The annual fall meeting of the YWCA** will be held on Friday evening at 8 o'clock. Among guests will be Dr. Richard A. Arns, professor of mathematics and director of dramatics at Gettysburg College, who will read a play.

**Mr. and Mrs. Walter Morris, Punxsatawney**, will spend the weekend with Mrs. Morris' sister, Miss Anne Gilliland, Carlisle St.

**The Christmas Bazaar** committees of St. Francis Xavier School Mothers Club met at the home of Mrs. W. Caylor Smith Wednesday.

## To Rebuild Three Miles Of U. S. 15

Reconstruction of about three miles of U. S. Route 15 between Emmitsburg and Thurmont is about to begin as contractor's equipment is being moved into the site. The improvement will extend northward from a previously reconstructed section about two miles north of Thurmont.

A bituminous surface paving will be used, 24 feet in width. Much of the roadway will be built on relocation and the right of way will provide space for another 24-foot strip of paving at such time as the highway is converted to dual-lane.

The new road will connect with the present road at the Toms Creek curve, south of Emmitsburg. A bypass will be built around the latter community in a later project, according to plans of the Maryland State Roads Commission.

## Reports Accident Wednesday Evening

Steve Brent, Gettysburg R. D., reported to police Wednesday evening that while he was driving west on Chambersburg St. his car was struck by a 1953 Pontiac sedan that came from Franklin St. into the intersection at 7:45 o'clock. After the collision, Brent said he drove to the curb and the other car drove around him and continued down Chambersburg St. He told officers his 1958 Ford was damaged about \$50 and he was unable to get the other car's license number.

## DEATHS

Masonic Rites Held

Funeral services, conducted by Plymouth Lodge 143, AF and AM, Union Bridge, Md., were held Wednesday afternoon at the Fuss Funeral Home, Taneytown, for Lawrence J. Smith, 75; Uniontown, Md., who died Sunday at University Hospital, Baltimore. The Rev. Harry L. Angle officiated, assisted by the Rev. John H. Hoch. Interment in the Uniontown Church of God Cemetery.

The pallbearers were Arthur W. Clabaugh, George K. Millen, Ralph D. Ricketts, Vincent C. Boose, James W. Zollicoffer and Myrie M. Fogle.

**John J. Maddox**

John J. Maddox, 62, an enlistee from Adams County in World War I, died in Phoenix, Ariz., on October 13 as the result of a heart attack. His eldest daughter, Miss Patricia Maddox, accompanied the body to Arlington, Va., where military services were held in Fort Myer Chapel on Tuesday. Interment was in Arlington Cemetery.

Besides his daughter, Patricia, he is survived by his wife, Mrs. Elsa Maddox, and two other daughters, all of Phoenix. He is also survived by the following brothers and sisters: Frank and William Maddox, both of Parker, Ariz.; Henry Maddox, White Stone, Va.; Mrs. Louis West, Washington, D. C.; Mrs. Don Warner, Richmond, Va.; Mrs. Catesby Ware, Dumfries, Va.; Mrs. John Triple, Delaplane, Va.; and Mrs. George Baugher, Aspers.

Mrs. George Baugher and Mrs. George Baugher Jr. attended the services in Arlington on Tuesday.

## QUICK ACTION

don was delayed until after disposition of the civil suit against him.

Frank L. Groft, W. Middle St., was foreman of the jury. Other members of the jury were Mrs. Catherine B. Cole, 51 E. Stevens St.; Pauline Devine, Hanover R. 4; George Ditchburn, 137 E. Middle St.; Robert W. Gouker, Littlestown; Mrs. Clara E. Lerew, York Springs; Paul Morehead, Littlestown; Mrs. Ada Reinacker, Abbottstown R. 1; Felix Sanders, New Oxford; Roy Starner, Hanover R. 1; Raymond F. Staub, McSherrystown, and Charles W. Weikert, Littlestown.

The jury hearing the morals charge against Ronald A. Phillips, Littlestown R. 2, began its deliberations shortly after noon, but the court decided that food was required and so, under guard, the jury retired to a local restaurant to eat before returning to the court house to complete deliberations.

**Sentences This Afternoon**  
Three more civil cases are scheduled for the current term but Judge W. C. Sheely told the jurors that it is anticipated the three cases can be completed this afternoon and Friday. He added that the jury "can be proud" of "the great amount of work done during this term."

Sentencing of defendants found guilty in the criminal cases and others who pleaded guilty began at 1:30 o'clock this afternoon.

**Mr. and Mrs. Henry Lower**, Guernsey, visited over the weekend with their daughter, Mrs. Ron Blackburn, a student at Catawba College, and with Mrs. Lower's sister, Mrs. Eugene Peeler, Salisbury, N. C.

**The Ira E. Lady American Legion** will hold a regular meeting this evening at 8 o'clock at the post home on E. York St., Biglerville.

**Thirteen members** attended a meeting of Intermediate Girl Scout Troop 1 of Arendtsville held on Tuesday evening at the Scout hut. A cook-out was planned for the afternoon of November 22. Lois Hartzell was introduced as an assistant leader and Mrs. Richard Cogley was a guest. Miss Charlotte Hartzell, leader, supervised the meeting.

**Mrs. George Eschbach, New Cumberland**, visited Wednesday with Mr. and Mrs. Kenneth Lawver and family, Biglerville.

**Community children of the Primary and Junior Department** age who are planning to participate with the work on UNICEF are asked to meet in the social room of St. Paul's Lutheran Church, Biglerville, promptly at 7 o'clock Thursday evening, October 30. Each will be given the necessary information and container before calling on the homes for donations. It is the plan that he so

arranging each doorbell will be rung only once for UNICEF. After completing the assigned territory, the children will return to the church with their boxes of donations and light refreshments will be served. It is the desire of the committee in charge to have the project completed by 8 a.m. This can only be done if a goodly number of children participate. Costumes are in order but are not required. Anyone having questions may telephone or contact Mrs. Kenneth Alwine, Biglerville 9-W.

**Mrs. C. Russell Gilbert, Biglerville**, attended the horse show in Harrisburg Tuesday evening.

**The Ladies' Auxiliary of the Ira E. Lady American Legion Post** held their October meeting Monday evening at the Legion Home on E. York St., Biglerville, with 13 members and one guest present. Two new members, Miss Nellie Irvin and Miss JoAnn Logan, were welcomed into the organization. In the near future, there will be a special meeting for the purpose of packaging cookies for the veterans at the Samuel G. Dickson Hospital, South Mountain. The next four-county council meeting will be held on December 4 at Dallastown in the form of a Christmas party. Miss Donna Ebbert, Biglerville R. 1, reported on her two-week stay the past summer at the Keystone Girls Camp held at Shippensburg College. She was sponsored by the Legion Auxiliary. A bowling team has been formed with tentative plans to bowl every Tuesday evening. After the meeting, refreshments were served by Mrs. Clarence Dearhoff and Mrs. Lolita Charles.

**APPLE SHOW**  
(Continued From Page 1)  
Fairfield R. D., and Clarence Oyer, Biglerville R. 2. Red Stayman, David Sandoe, Griffie, Gardners R. D.; and Pape's Fruit Farm. Golden Delicious, Harold Garretson, Pape's Fruit Farm, Russell Griffie and David Pitzer. To Be Open Evenings: Red York Imperial, William Brent, Fairfield R. D.; Donald Weaner, Aspers R. D.; Pape's Fruit Farm and Rodger Benner, Fairfield R. D. Stayman, Jane Wetzel, Orrlanna; Timothy McGough, Gettysburg R. 3; Mae Pitzer, Biglerville R. 1, and Richard Trostle. The bank will be open this evening and Friday evening from 7 to 9 o'clock and will close Saturday evening at 8:30 p.m. Bank patrons today and throughout the show will receive an apple at the door as they leave the show.

**90-Pound Pumpkin**  
The entries were judged by John U. Reuf, secretary of the Pennsylvania State Horticultural Society, with the help of Frank Zettle, Adams County farm agent.

There were no prizes for it but the biggest thing on display in the bank show is a 90-pound pumpkin grown by L. Lamont Kane, Mt. Newman. It forms part of the attractive fall setting for the annual apple show. Flowers, colored leaves, corn and other decorations have been used to provide a seasonal background for the bright red and golden fruit.

Three commercial displays are being shown as part of the annual event. They have been placed by the C. H. Musselman Company, Knouse Foods and the Rice Fruit Company.

All of the displays had been entered by 9 p.m. Wednesday when 30 exhibitors and fruit-growers were the dinner guests of Bank President C. A. Willis at Earle's Inn.

## RANGERS ARE PLEASED WITH WELCOME HERE

The Huron Rangers Riflemen, who participated in the recent Blue-Gray skirmish and shoot here, were highly pleased with the hospitality in Gettysburg. In a letter to the Travel Council their quartermaster sergeant, Tom Waddell, wrote as follows:

"We, the members of the Huron Rangers Riflemen, wish to thank your organization, and any other groups connected with the military Skirmish, for a very fine time had while not only taking part in the matches but also while vacationing in Gettysburg.

"Our group has been attending Civil War era style parades, reunions and shoots since 1949 and all men are completely uniformed and armed as U.S. Army soldiers of that period.

"We have always had a great desire to attend a Gettysburg shoot and this month were finally able to reach the famous battlefields. This naturally is the climax, as far as battlefields are concerned, for anyone interested in Civil War history.

"While staying at Larson's Motor Court, which was handy as a base of operations, we were able to visit many points of interest including a stop at the Lincoln Museum, at Lincoln Square, where we not only enjoyed ourselves as sightseers but were able to recruit both Curvin H. Heiss and his son, Curvin E., as members of our unit, our main idea being that we may now be able to aid them in organizing a Civil War military group in their own home town. This group then would be the mainspring in plans for future Gettysburg Shoots. They will probably take the name of some unit that left that town or county for duty and served in the Battle of Gettysburg.

"An enjoyable surprise was that of finding the motel and restaurant charges were no greater than those of our own home town. Our group has traveled to many resort or historical areas and we usually find the cost of living to be at a high level at least while we are there.

"We sincerely hope that you have shoots at Gettysburg as an annual affair and that you will see fit to invite our unit.

"Again thanks for a fine time and if you ever require aid in organizing a military group or making plans for a Skirmish we will be more than glad to lend assistance."

## Have Invitation To "Pike" Open House

Walter B. Lane, president of the Gettysburg Travel Council, today urged local groups and individuals to attend the 20th anniversary "open house" to be held by the Pennsylvania Turnpike Commission October 26 through November 1.

Lane said the turnpike commission will arrange tours for school groups, service clubs and others during the week at the Turnpike System's office at the West Shore interchange and will have on display special exhibits concerning the highway. The first spadeful of earth on the 470-mile road was turned 20 years ago on October 26.

Lane noted that the turnpike "in addition to being interesting in itself also served to bring many tourists to Gettysburg."

## News From Nearby Counties

### CUMBERLAND COUNTY

Two Carlisle fire companies are planning to celebrate their anniversaries jointly. For the Cumberland it will be the 150th and for the Empire, the 100th.

Four women residents of Christian Alliance Home, Carlisle, were injured Wednesday night in a two-car collision. Three were admitted to the Carlisle Hospital where they were reported to be in fair condition.

Police said cars driven by John C. Rohrer, 33, Dover R. 1, and Miss Maude E. Turley, 72, of the church home, collided.

Admitted to the hospital were: Mrs. Lisette Herbert, 75, possible fractured back; Mrs. Edith Stevens, about 80, shock and fractured shoulder, and Mrs. Elizabeth George, about 48, housekeeper at the home, bruises and fractured pelvis. Miss Turley was treated for bruises.

### WASHINGTON COUNTY

A missing 46-year-old Hagerstown man, who disappeared after drawing all the money out of his bank account, is being sought by police. Kenneth R. McKenzie disappeared several days ago, and his wife appealed to police in the belief that harm may have come to him.

### FRANKLIN COUNTY

Mrs. Mae Varner, 32, Shippensburg R. 1, was treated in the emergency room of the Chambersburg Hospital for painful burns suffered when a freshly-processed jar of pumpkin exploded, showering her with the hot pulp.

The Franklin County commissioners approved payment of \$500 each to John M. Sharpe Jr. and Thomas H. Hummelsine, Chambersburg attorneys, for their service.

### Modified Redstone

The first stage of the Jupiter-C was a modified Redstone rocket. After burnout some 60 miles above the earth the spent Redstone was to have coasted upward with the three upper stages—and the satellite payload in the nose—for four minutes, to an altitude of 200 miles, and then was to have fallen away as the upper-stage firings began.

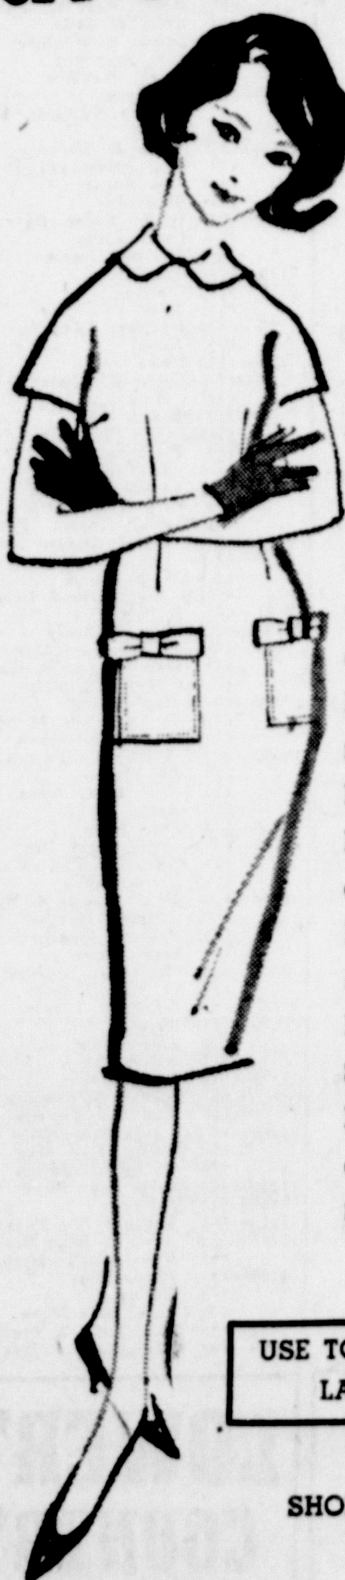

An hour after the launching, newsmen at the site were told that "signals from the rocket were lost approximately 10 seconds before the second stage was scheduled to fire. Therefore it is unknown at the present time whether or not an orbit will be achieved."

More than an hour after this pronouncement came the conclu-

sion that the rocket had not performed normally and that it was most unlikely an orbit had been achieved.

## TO TEACH WOOL SKIRT MAKING

Mrs. Helen D. Tunison, associate home economist, announced today that special homemaker club meetings on wool skirt making will be held next month.

Littlestown, Frogtown, Alloway and Mt. Joy clubs will meet in the Two Taverns community hall November 3, 10 and 17 from 1:30 until 3:30 p.m.

Marsh Creek, Cashtown, South Mountain and Butler Twp. clubs will meet in the Arendtsville National Bank social room November 4, 18 and December 2 from 1:30 to 3:30 p.m.

Battlefield, Harrisburg Rd., York Springs and Gettysburg clubs will meet in the REA building, rear of N. Stratton St., from 7:30 to 9:30 p.m. November 5, 12 and December 3.

Those attending are asked to bring patterns, pins, shears, needles, thread, lining if needed, preshrunk wool, press cloth, press-equipment, tracing wheel and carbon. Members are asked to cut the skirt, if possible, before the first meeting as the lessons are planned to stress tailoring techniques, according to a letter from the extension office.

## WILL ENLARGE GAS STATION

Shetter's Service Station, Biglerville, now named Shetter's Tire Service, has under way its second building expansion since the business was started in 1940 by Ralph Shetter. The original station was doubled in size in 1946, the same year that Jim Shetter, Ralph's son, entered the business as a partner.

When the present project is completed the service station will be 50 x 90 feet, thus being doubled in size for the second time.

The expansion is being undertaken to provide space for an increased volume of tire service work, including work on large trucks and truck-trailer rigs. The addition will also provide storage space, permitting removal of some stock from the building which the Shetters bought in 1948 to accommodate their tire retreading equipment. That building, the former Gilbert's garage, is 40 x 90 feet and is used for both retreading and warehousing. To permit addition of more tire machinery, the warehousing will be cut back there when storage space becomes available in the service station addition.

### STOCKS DRIFT DOWN

NEW YORK (AP) — The stock market went into a slow downward drift again today, marking the fourth straight day of slumping prices.

At the start trading was active and prices mixed. The ticker briefly lagged behind floor transactions. Then the downturn set in and turnover slackened.

Major stocks were fractions to about a point lower. Special issues, responding to news, displayed gains which were reduced by early afternoon.

## Couple Celebrates 57th Anniversary

Mr. and Mrs. Warren J. Blocher, Hanover, Tuesday celebrated their 57th wedding anniversary at their home. Mrs. Blocher also observed her 81st birthday.

They were married October 21, 1901, by the late Rev. J. A. Metzger in the parsonage of West Manheim Lutheran Church, Hanover. Blocher, 80, is a son of the late Mr. and Mrs. Jacob M. Blocher, West Manheim Twp., and his wife, the former Hattie V. Baughman, is a daughter of the late Mr. and Mrs. David A. Baughman, Union Twp., Adams County.

Mr. Blocher retired six years ago from the Ehrhart-Conrad Co., where he was employed 42 years, as a traveling salesman in the wholesale grocery business. At present he is self-employed and deals in fruit trees and nursery stock. Mr. and Mrs. Blocher, who are members of St. Matthew's Lutheran Church, are both active and in good health.

They are the parents of five children — Mrs. Florence Lurene Brodbeck, Greenmount, Md.; Melvin J. Blocher, at home; Mrs. Kathryn Amelia Frock, Hanover; Robert B. Blocher, Hanover, and Mrs. Mary Eltz, McSherrystown. They have nine grandchildren and 10 great-grandchildren.

## C. W. Schick Gets France's Legion Of Honor Decoration

Charles W. Schick, of Chicago, who as a boy lived in Gettysburg and witnessed the Civil War engagement here, received the French decoration of a Knight of the Legion of Honor recently. Schick was honored for his services to national defense. The decoration was presented by the French consul general, Rene Weiller, before a large group of his World War comrades. Mr. Schick, who was seven years old when Pickett made his charge at Gettysburg and who later stood under the speakers' platform while President Lincoln delivered his battlefield address, was a naval officer in the Spanish-American and World Wars and is a past commander of the Illinois Department of the American Legion.

## Today's Talk

## WHAT HAVE I DONE TODAY?

How few of us self-examine ourselves! If we did we would live a far richer life than we do. Life goes by so rapidly. I have been thinking of when I was twenty years younger. How full of ambition, energy and dreams I was at that time! How swiftly those years have flashed by!

I think if we asked ourselves at the close of each day — what have I done today? — we would improve our own lives and would be given the privilege of inspiring other lives. The days seem to advance in leaps! I look out of my library window and note the great growth that many of the trees I set out have made. The sight of them makes me think of the rapid passing of time.

Benjamin Franklin used to keep a little book in which he would write his progress each day, and in which he would note his improvement. He seemed to be quite well acquainted with himself! He made friends because he didn't cover up his own faults. Rather did he try to get others to self-examine themselves.

We shouldn't waste our precious time in finding fault with others. We ought to do what we can to make others more content with life. Get them to ask themselves: What have I done today? I ask myself this question every day of my life. My reply to it: I wish I could make better each day.

There is so much in life that is inspiring. So much beauty, so many miracles right before our eyes that we should thank God for it all and walk humbly through each one of our days. I never tire of studying about all the beautiful free things in this world. The leaf of a maple or oak tree is a perfect creation. So is every flower. So is every star!

## Just Folks

## THE OLD-FASHIONED MAN

The old-fashioned man would come in from his work

At the close of a busy day,

And the old-fashioned wife

Greeted him with a kiss

In the old-fashioned, lovable way.

Then he sat down to supper and

Poured out his tea

In saucer and gustily blew

His breath o'er the beverage, to

Cool it that way—

A method that now wouldn't do.

Oh, the old-fashioned man, I can

See him today,

With his saucer of tea held in

Air;

On the table his elbows are

Resting once more

And the old-fashioned wife's

Sitting there.

There is love in her eyes as she

Gazes at him;

The love-light once more I

Can see,

And the old-fashioned man sends

A smile to his wife

O'er the brink of his saucer

Of tea.

It may be I'm wrong, but I feel

That I'm right—

Now these old-fashioned folks

Are at rest.

And the daisies bloom over their

Couches of earth—

That the old-fashioned ways

Were the best.

Oh, I wish that this old-fashioned

Man was still here,

With his old-fashioned wife,

As of yore;

Oh, I wish they could come from

The Valley of Death

To drink from their saucers

Once more.

## WILL DEDICATE NEW ST. LUKE'S PARSONAGE

The newly-built parsonage of St. Luke's United Church of Christ, near White Hall, will be dedicated at a service on Sunday afternoon, 2:30 p.m., at the parsonage, which is located near the church. In case of rain, the service will be in the church. The Rev. A. C. Rohrbaugh, pastor of St. Steven's United Church of Christ, York, and vice president of the Mercersburg Synod, will represent the synod. The recently installed pastor, the Rev. George Shultz Jr., will participate in the order of worship. Open house at the parsonage will follow the dedication until 8 p.m., and the public is invited to attend.

Rally Day will be observed in St. Luke's Sunday School at 9:15 a.m. on Sunday. The address will be given by the Rev. Mr. Shultz and children of the school will participate in the program. The morning worship service will follow at 10:30 a.m.

## World Community Day

World Community Day will be observed at the October meeting of the Women's Guild of Redeemer's United Church of Christ on Monday at 7:30 p.m. in the church social hall. The day, which is set nationally for November 7, is sponsored by the United Church Women, National Council of the Church of Christ, for material aid for refugee mothers.

Each member is urged to attend and bring yarn suitable for knitting garments or coverlets, or yardage of any weight, color or size for clothing. Mrs. Samuel H. Higinbotham, Guild president, has announced that the contributions will then be sent to the Church World Service Center at New Windsor, Md., for overseas shipment. Mrs. George I. Bemiller is the program leader for the Monday meeting.

## Plan Public Party

The Ladies' Auxiliary to the Fraternal Order of Eagles will sponsor a public party on Friday, starting at 8 p.m., in the social room of the Littlestown Eagles Home. The Accents will provide music for dancing on Saturday night from 9:30 to 12:30 o'clock at the FOE Home.

A Halloween party will be held in connection with the meeting of the Ladies' Aid Society of St. James' United Church of Christ, along the Harney Rd., on Friday at 8 p.m. at the church. Each member is asked to attend in costume. Mrs. George Yealy will be the program leader.

## COMPANY WINS

## SAFE DRIVING AWARD AGAIN

Gas company drivers here were credited today with helping the Manufacturers Light and Heat Company capture its second top safe driving award for large gas utilities.

They helped win the championship for the Pittsburgh Group Companies of the Columbia Gas System in 1956 and placed second in 1957, manager Julian N. Estep said today.

Competing with drivers of 24 other large gas companies from coast to coast, they once more led the field this year in their division of the National Fleet Safety Contest.

Their winning low accident frequency rate, .76 per 100,000 miles, was far below the national fleet average of 1.49 accidents," Estep said. "It was a much more impressive record than the .96 average that won in 1956," he added.

## "Always On Call"

"Gas company drivers make their record the hard way," he explained. "Emergency vehicles are on service calls around the clock and in all weather conditions. Construction and maintenance vehicles work under handicaps of heavy urban traffic or rugged back-country driving conditions."

"The record was set between July 1, 1957, and June 30, 1958. Gas company drivers operated 1,100 vehicles a total of 13,275,000 miles. A. R. Kellher, Pittsburgh Group Companies safety director, accepted the National Safety Council award on their behalf at a Louisville meeting recently."

Estep said the safety campaign is a continuous effort, under the supervision of an employees' committee. Current safety committee chairman is Wilbur W. Deitz, assisted by Michael Tate, Arthur E. Bair Jr. and John F. Wright.

## Hershey Meets Revamped GHS Team Here Friday; L-Town May Clinch Title

Gettysburg High's on-and-off-again football team (1-3-1) will be a decided underdog when it hosts Hershey High (5-1) here Friday evening at 8 o'clock in a South Penn game. The Warriors will be revamped for the game and could come up with a big surprise through an all-out effort.

The season's largest crowd is assured at Littlestown (5-1) where the Thunderbolts meet Susquehannock (4-1) in a battle between the top contenders for the league title. A victory would wrap up the title for Littlestown.

Delone Catholic (4-2) goes after its third straight Central Pennsylvania Catholic League decision against Lebanon Catholic (3-1-2) at McSherrystown. It will be the first home game of the season for the Squires.

Biglerville (0-4-1) and Scotland (1-4-1) tangle on the latter's field Saturday afternoon at 2 o'clock.

Other area games of interest Friday include the following South Penn affairs, Hanover at Carlisle and Chambersburg at Middletown.

### Hershey At Gettysburg

A group of newcomers in the starting lineup will carry the hopes of the Gettysburg High football squad when the Warriors entertain powerful Hershey here Friday.

Dissatisfied with the performance of his regular starting group last week, Coach Ben Jones announced earlier in the week that he would open with a lineup including seven juniors.

Here's the new Warrior offensive starting group: Ends, Joel Riddlemoser and Captain Gary Maitland; tackles, Ken Kimple and Dick Scott; guards, Roy or Don Coldsmith and Jim Sneed; center, Ed Simpson; quarterback, Hardy Nichols; halfbacks, Tom Crist and Jason Gulden, and fullback, Bob Furney. Riddlemoser, Maitland, Kimple, Roy Coldsmith and Crist are the only seniors.

On the defense, Bob Nelson, an all-South Penn Conference selection last year who seems to have lost his aggressiveness this season, will replace Sneed as backer-up. Bill Shoemaker will take over for Nichols, and Bill Rentzel will replace Simpson.

### Attack Should Improve

Crist's switch to left halfback will give the speedster better blocking on handoffs. Nichols' deception in ball-handling will partially offset what is lost in long passing tries at which Riddlemoser was particularly adept.

Hershey comes here with one of its best teams in history. The Trojans lost only to Carlisle 31-6 but despite that defeat still have hopes of taking the South Penn honors. Hershey has won from Milton Hershey 16-0, Palmyra 20-0, Waynesboro 27-0, Hanover 7-0, and Hummelstown 48-14.

The Trojans have 10 lettersman from last year headed by Carl Kemble, 200-pound tackle, who was also an all-conference selection last year.

Jim Price and Jim Rippon, veteran backs, are the big guns in the attack. Price does the punting while both have shared in tossing passes.

Friday's game marks the 22nd in the series between the school. Hershey holds a 10-9 edge with two games having ended in ties. The teams did not meet last year due to the flu epidemic. In 1956 Hershey won 28-0.

### Susquehannock At Littlestown

An overflow crowd is expected to jam Memorial Field at Littlestown Friday night in anticipation of the hardest-fought and spirited battle of the season.

Littlestown and Susquehannock are the only unbeaten teams in the Laurel Conference. Coach Wil Gobrecht's Bolts, 4-0, can clinch the 1953 title with a victory while Susquehannock, 2-0, would be an odds-on favorite if it upsets the Bolts.

Overall Littlestown is 5-1, having won five straight since bowing in its opener to Shippensburg. Susquehannock will be placing a four-game winning streak on the line. The Warriors lost only to York Catholic 19-3 and have triumphed over West York 20-0, Central 24-13, Carson Long 33-7, and Patton Trade 25-6.

Against the two mutual opponents to date, Littlestown topped West York 14-7 and Central 27-13.

## CAL GARDNER LEADS INDIANS TO 5 TO 1 WIN

By THE ASSOCIATED PRESS

Cal Gardner, 14-year veteran of professional hockey, is 33 years old. But you never would have guessed it from the way he showed his younger rivals the tricks of the trade last night in one of the two games played in the American League.

The crafty Gardner, who played all of his pro hockey in the National League before taking over last season as player-coach of the Springfield Indians, scored three goals in leading the Providence Reds to a 5-1 victory over the Rochester Americans.

In the other game, the Hershey Bears strengthened their hold on second place with a 5-0 decision over the Cleveland Barons.

Gardner sent the Reds away in front in the fifth minute of the first period, added another goal before the session was over and completed the hat trick with his third goal in the second period.

The Bears, who pulled within four points of undefeated Buffalo and stayed two up on Providence, used a two-platoon system of goals in shutting out the Barons. Bob Perreault and Gil Mayer shared the job of guarding the nets.

When Mayer finished his part he had piled up 121 minutes and 31 seconds of play in four games without allowing a goal.

Jack McIntyre paced the Bears' attack with two goals.

## ELGIN BAYLOR SETS HOT PACE WITH LAKERS

MINNEAPOLIS (AP) — It took All-America Elgin Baylor just eight seconds to get on the scoreboard in his first pro basketball game and just one night to fire the fancy of Minneapolis Laker fans.

The 6-6 rookie from Seattle University scored 25 points in his National Basketball Assn. debut Wednesday night in steering the Lakers to a walkaway 99-79 victory over the Cincinnati Royals.

The smoothly-coordinated collegiate star, who drew some \$20,000 for signing with a team that is out of business if the bonus boy can't bring in the crowds, bagged 10 of 21 field goal tries, 5 of 7 free throws, gathered 13 rebounds and had 6 assists.

Jack Parr, former Kansas State ace, also showed to advantage in his league debut. He scored 14 points for the Royals and was topped only by Dave Piontek with 17.

### Knickerbacker News

The New York Knickerbockers also made news in the NBA by obtaining Frank Selvy, former All-America from Furman, from the St. Louis Hawks for their second draft choice next spring and by defeating Philadelphia 109-108 in an exhibition game.

The Knicks will be the fourth club Selvy has played with since 1954. He was drafted by the defunct Baltimore Bullets, moved to Milwaukee when the Baltimore club folded, went with the Hawks to St. Louis when the Milwaukee franchise was transferred and played with Minneapolis last season on a lend-lease basis.

## Bullets, Sho'men In 1-1 Deadlock

Bill Barriga's Gettysburg College soccer outfit (3-1-1) and Washington College sloshed to a 1-1 tie in their game played at Chestertown, Md., Wednesday afternoon. Rain and wind swept the field during the entire game.

Scotland has 10 lettersman from last year including the following: Ends, Terry Baysinger, Bernard Dickerson; tackles, Gary Watson, Tom Bell, Robert Billman; guards, Paul Stephy, Robert Trexler; backs, Paul Fochler, Dale McMullen and Wayne Boyd.

## Ex-Teammates Clash Here Saturday

A trio of former teammates at Calvert Hall High, Baltimore, pictured above, will be on opposite sides of the fence when the Gettysburg College Bullets meets Muhlenberg here Saturday afternoon at 1:30 in a University Division, MAC game which will highlight Homecoming Weekend at Gettysburg.

Ernie Velton, 180-pound sophomore halfback of the Bullets, is flanked on the left by Ed Callahan, Muhlenberg's 190-pound sophomore center, and on the right by Vince Rosso, 185-pound sophomore end for the Mules. All were stars on the same team at Calvert Hall.

## TWO TEAMS END PROBATIONARY NCAA PERIOD

CHICAGO (AP) — Indiana and West Virginia have been restored to good standing by the NCAA after serving one-year probationary periods.

The NCAA policy — directing council made the announcement Wednesday in ending a three-day session.

Indiana's penalty followed Big Ten action last year when Hoosier Football Coach Phil Dickens was suspended for the season for violating Big Ten recruiting rules.

### No Other Penalties

West Virginia's case concerned a violation of expense rules in the recruiting of a basketball player. The council did not impose any additional disciplinary action on any other NCAA member. This was the first time in 12 meetings since 1954 it has not taken such measures.

However, 15 cases are pending and 20 others are in a state of preliminary investigation. Eight schools remain under varying degrees of NCAA punishment — UCLA, Southern California, Seattle, Auburn, North Carolina State, Southern Methodist, Wichita and Memphis State.

### Other Business

In other main items of business, the council:

1. Proposed that any college athletic staff member should be considered guilty of unethical conduct if he were compensated for scouting or negotiating for professional teams.

2. Ruled, effective upon circulation among the members, that any athlete receiving direct or indirect financial aid from a professional sports organization will be ineligible for collegiate athletics.

Both measures were aimed primarily at relationships between colleges and professional baseball, said Walt Byers, executive director of the NCAA.

## Coeds In 1-1 Tie With E. S. Teachers

The Gettysburg College girls' field hockey team (2-1-2) battled to a 1-1 deadlock with East Stroudsburg State Teachers College on a muddy and wind-swept field here Wednesday afternoon.

Shippensburg State Teachers College will oppose the Bullets here Saturday morning as part of the Homecoming Weekend program.

The lineups:

## DELAWARE'S TURNER TOPS

PHILADELPHIA (AP) — Delaware halfback Jack Turner is the top m i d d l e Atlantic Conference Football player in total offense and rushing.

But the figures released Wednesday make Bill Austin and his Rutgers University team look the best.

In only one conference game, Austin went 189 yards in 20 carries while Rutgers collected a total offense figure of 245 yards in beating Bucknell 57-12.

That put Austin third in the offense category, which Turner leads with 345 yards, and fifth in rushing which Turner leads with

## Lions' Benefit Grid Game On GHS Field At 8

With all proceeds going to the Charity Fund of the Gettysburg Lions Club, a big crowd is expected to watch the Gettysburg College freshman football team in action tonight at 8 o'clock on the high school field against Shippensburg State Teachers College junior varsity.

It has been reported that upwards of 1,000 tickets have been sold in advance. Admission is \$1 for adults and 50 cents for children while college students will be admitted free upon presentation of their identification cards.

The Bullet frosh lost its only game to Bucknell. Shippensburg has a 2-1 record.

Providing entertainment will be the Gettysburg College band headed by Dawn Burg, majorette and baton-twirling champion.

## TOM FERRICK IS NAMED TO PHILLY STAFF

PHILADELPHIA (AP) — Baseball's Tom Ferrick is coming back to Philadelphia and there isn't a happier coach in the game.

Ferrick, who has made his permanent home here since his rookie days with the old Athletics back in 1941, was named pitching coach of the Phillies by Manager Eddie Sawyer Wednesday.

He had been with Birdie Tebbets in Cincinnati since 1953, but has been available since Birdie's resignation as Redlegs' manager.

### Lives In Havertown

"My first concern was to stay in baseball and I am joining a fine organization. Then, too, it's nice to be able to live at home. The bigger your family gets, the harder it is to move them for the baseball season," the 43-year-old mound veteran said.

Ferrick, his wife and six youngsters live in suburban Havertown. Responsible in some measure for past successes with such Cincinnati veterans as Hal Jeffcoat, Hersell Freeman, Brooks Lawrence and Bob Purkey, Ferrick has high hopes he can help the Phils.

### Can't Explain '58

"There are a lot of good arms on the club," he said. "With youngsters like Don Cardwell, Seth Morehead and Jim Owens, and with Robin Roberts on the right track, it could be a fine staff."

"What happened this year (the Phillies finished in last place) I don't know, but there are many things about baseball which defy explanation. I just hope I can contribute something."

BOSTON (AP) — Backbone, winner of seven state races this year, today was assigned top weight of 124 pounds for the 23rd running of the \$50,000-added Yankee Handicap next Wednesday at Suffolk Downs.

Quarterback Paul Terhes of Bucknell is the MAC's leading passer. He has completed 12 of 19 pass attempts for 170 yards and a touchdown.

Louisville, Ky. — Wilf Greaves, 163½, Edmonton, Alta., knocked out Billy Tuck, 158½, Louisville, 3.

## Spider-Biglerville Game Is Cancelled

Heavy rains on Wednesday resulted in cancellation of the Gettysburg Spiders-Biglerville football game scheduled to be played at Biglerville.

Inasmuch as the game was the last on the Gettysburg program it will not be rescheduled. The local Spiders wound up their season with a 1-2 record.

Biglerville (3-1) plays at Littlestown next Wednesday afternoon at 3:30.

## JORDAN WINS OVER ORTEGA ON SPLIT VOTE

LONG BEACH, Calif. (AP) — Young Don Jordan of Los Angeles today emerged as the next probable title opponent of world welterweight champion Virgil Akins.

Jordan scored a split decision over Gaspar (Indian) Ortega of Tijuana, Mexico, in an unusual charity fight in 12 rounds Wednesday night. Today negotiations for formal contracts were opened for a title fight in Los Angeles Dec. 5.

Jordan outpointed Ortega in the view of Referee Frankie Van and Judge Tommy Hart, each scoring it 116-114 under California's 10-point-minus per round system. Judge Lee Grossman had Ortega on top 115-113.

The nationally televised fight was the 46th win in 55 bouts for 23-year-old Jordan and the 14th loss in 62 matches for Ortega.

There were no knockdowns but it was an action-packed contest. Jordan weighed 143½ and Ortega 145½.

The fight was staged in the grand ballroom of the Lafayette Hotel, recent residence of beauties in the Miss Universe Contest. More than 1,000 members of the

# NEW SCIENCE SERIES OPENS ON TV TONIGHT

By CHARLES MERCER  
NEW YORK (AP) — "Gateway to the Mind," first in the season's Bell System science series visible on the home screen tonight, is an interesting examination of the human senses.

A preview last week of the filmed NBC-TV program revealed it as being of interest to any viewer willing to spend an hour in contemplation of how he communicates with the world about him.

Dr. Frank C. Baxter conducts the program, which relies heavily on animated drawings and a rather self-conscious stage organization.

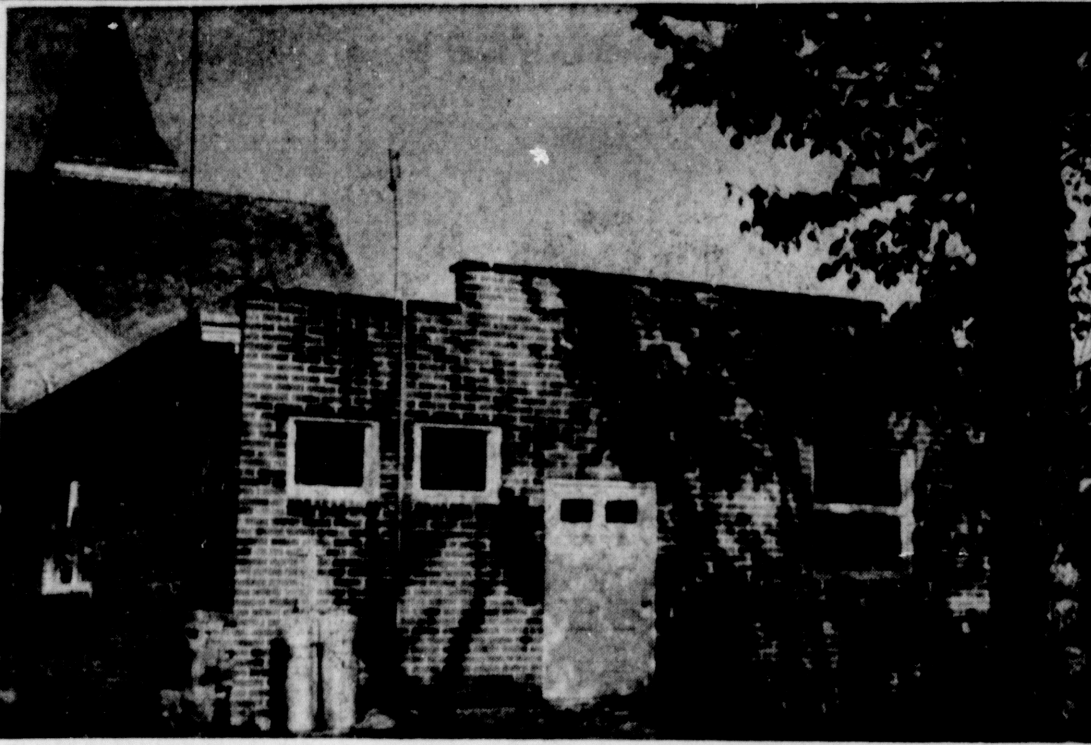

## Aim Is Good

The intent of this program is highly commendable, for it swims bravely against the escape entertainment trend.

Nevertheless, I found myself vaguely annoyed by some of the cuteness and coy dialogue that flabbily padded the strong bones of the program. Dr. Baxter ambles around a movie sound stage while various actors, playing stage hands, egg his erudition on with a "Gee whiz, Doc" form of dialogue.

A secondary school teacher to whom I described the program told me that I'm all wet in my reaction. When you're presenting complex ideas to youthful minds—with whom, among others, the program wishes to communicate—you must constantly ease "the learning tensions" with a variety of visual and oral gimmicks, the teacher said.

Highly interesting  
The gateway to my mind was opened widest in the last quarter

The above education wing was added to the Trinity Methodist Church, Emmitsburg, largely through the efforts of volunteer workers who donated much of the construction labor. The 30x50 foot addition is used for Sunday School classes and for other church-connected activities. (Times photo)

## Education Wing Added To Church

The Trinity Methodist Church at Emmitsburg is looking for the means to place a tile floor and erect folding partitions in its new education wing, added to the church recently.

Even more interesting is the examination of mental activity through sensory stimulation as demonstrated by Dr. Wilder Penfield of McGill University. Personally, I wish the program started with its last quarter and went on from there. But apparently, on the basis of what my teacher friend told me, it's a good thing that it doesn't.

The new unit contains a small kitchen and toilet rooms. Some of the materials for the building were donated but those purchased cost about \$10,000, part of which was borrowed. Sought now are funds so that tile can be laid over the concrete floors and movable dividers provided to separate the main room into smaller classrooms.

A growth in Sunday School attendance prompted the adding of the new wing which is appended at the rear of the church building on W. Main St.

The church is one of four in

## SEWER WORK PROGRESSING

With weather favoring progress on the Emmitsburg sewer expansion and improvement project, the work is expected to be between 25 and 30 per cent complete this month, Elmer St. C. Maxwell, of the engineering firm of Knecht and Maxwell, Pikesville, said today.

The firm designed and is supervising construction of the new work which will extend sewer facilities to parts of the town not reached by the sewer installation of about 25 years ago. Included is a new treatment plant along Toms Creek, about one and a half miles east of town. The present plant, which empties its effluent into Flat Run Creek, will be abandoned. A pumping station will pump sewage from near the present disposal plant to the new plant. The force main from the pumps to the disposal

# STATE SCHOOL DIRECTORS TO HOLD SESSIONS

HARRISBURG (AP) — Representatives of Pennsylvania's 2,500 school districts came to Harrisburg today to review the No. 1 problem facing the state education system—finance.

"The big issue before us is money, and more money," declared P.O. Van Ness, executive secretary of the Pennsylvania State School Directors Assn.

The association will hold its 62nd annual convention through Saturday in conjunction with the 44th annual meeting of the Assn. of School Board Secretaries.

On School Finances  
Van Ness said the convention had before it the proposed organization legislative program for the 1959 General Assembly. The program will center chiefly on problems of financing school operations in the face of rising costs of goods and services, said Van Ness.

"One of the main problems school districts are facing is the fact that state subsidies for instruction just aren't meeting their fair share of the bill," Van Ness declared.

One of the proposals before the association's legislative council would raise the present maximum state reimbursement for teaching instruction. It is presently \$5,800 per teaching unit (22 secondary and 30 primary school pupils).

Gathering Figures  
Another proposal would boost the present \$925,000,000 limit on state-financed school construction to as high as \$1,425,000,000 for the 1961-62 school year.

Van Ness said his organization is presently compiling statistics to back up its campaign for higher state subsidies for teaching. So far, he noted, figures indicate that most teaching districts are paying from 50 to 100 per cent more for teaching than the state-backed limit of \$5,800.

Other legislative proposals would change the law to make public utilities subject to real estate taxes for the support of public schools.

Keep whole allspice in your kitchen and add a couple of the berries to soup stocks that call for such seasonings as bay leaf and peppercorns.

plant has been completed and work is under way in laying the interceptor main from the pumping station to the town.

Both the pumping station and the treatment plant are under construction.

## York Springs

The York Springs Lions Club met Tuesday night with John Breighner, president, presiding. Paul Glenn, district game protector, Gettysburg, spoke to the club and showed a film on quail life.

Final plans were made for the Halloween parade Saturday night. The members planned to put up lights Thursday evening.

The group was reminded of the coming pancake supper to be held Saturday night, November 15.

The next meeting on November 4 will be ladies' night. The meal will be served in the C. H. Muselman cafeteria, Biglerville, and the diners will be taken on a tour.

Pvt. Roy Parr is stationed at Fort Hood, Texas. Russell Yeagy, Idaville, recently returned home after spending eight days in the Carlisle Hospital, having had the pin removed

which had been put in his hip when he was injured in January.

BUZZ SESSION  
ON 8 QUESTIONS  
AT PTA MEET

Approximately 120 persons participated in the buzz session conducted on "Parental Responsibility for Home Work" at the October meeting of the Littlestown Joint Parent-Teacher Association, held on Tuesday evening in the general purpose room of the Rolling Acres Elementary School.

Six groups of 20 each gathered to express their opinions during the buzz session on eight questions, after which the program chairman, Mrs. Atlee F. Rebert, presented the results of the session to the group as a whole. Questions and opinions were: 1. In what grade should home work begin? Two of the six groups were in favor of first grade, the majority favored third grade; 2. Is consideration given to the slow learner by the teacher when she assigns home work? Consensus of opinion was that only the teacher could answer; 3. At what time of day should home work be done? The majority said right after school; 4. Should extra curricular activities, such as music lessons, dancing lessons, Scouts and the various sports, be curtailed in order to make more time for home work? Everyone agreed to a no answer because these activities are body and brain builders also; 5. Is your child getting too much home work? A few said yes, the majority said the amount was satisfactory, but favored no home work at all over the week-ends; 6. Should parents help with home work? Majority thought they should help but definitely not do the home work for the child; 7. Should all home work be abolished? The majority thought not but the opinion was not unanimous; 8. Does your child have a quiet, well lighted, secluded place to do his home work? It was agreed that such should be the case. The six group leaders for the buzz session were Mrs. Edward H. Leister, Mrs. Dale W. Starry, Mrs. Atlee F. Rebert, Chester S. Byers, John D. Basehoar and Ray T. Harner.

## Plan January Event

Marvin F. Breighner, president, conducted the meeting which opened with the Doxology and salute to the flag. Mrs. Winfield A. Lippy accompanied for group singing. Mrs. Herbert Plunkert reported that the membership drive is still in progress and also noted that she would accept subscriptions to the PTA magazine if anyone would like copies. She said the PTA pamphlets which the group planned to order are no longer available.

LaRue O. Epler, of the faculty, explained the "Jabberwock" which the unit decided to sponsor as a fund raising project this year. It will be held on Thursday, January, 29, at the high school auditorium for the benefit of the Littlestown Senior High School Blue Band uniform fund, and will present individuals or groups from the various church, civic and fraternal organizations of the community in a stunt or skit not to exceed eight minutes. There will be cash prizes and judging will be by audience reaction. Chairmen of the committees were appointed as follows: General, LaRue O. Epler; tickets, Mrs. Luther W. Ritter; publicity, Chester S. Byers; stage and lighting, Clyde W. Crouse; refreshments, Mrs. Robert W. Hall.

## Urged To Vote

Mrs. Beaven F. Hanlon, delegate to the county council of PTA, reported that she had attended the county meeting at Bermudian Twp. High School in York Springs which featured an oriental program when the various officers spoke about reports to be sent by local unit officers. The county president urged study groups to deal with problems of both elementary and high school students. In schools where closed lunch hour is held, she suggested that parents might be able to help so that teachers could have a relief period. It was also suggested that school have a U. S. Savings Stamp plan. The next council meeting will be held in Arendtsville on November 19.

The program in addition to the buzz session included vocal solos by Mrs. Harry Weisel, with Mrs. Winfield A. Lippy at the piano. President Breighner announced that American Education Week will be observed at the next meeting when a program entirely different from any presented at local PTA is scheduled to take place. Miss Mary Catherine Shildt is program chairman and parents may visit the various classrooms on the meeting night Tuesday, November 18.

President Breighner also urged all PTA members to vote on Election Day, November 4. The attendance award for the largest percentage of parents present at the meeting went to the First grades taught by Mrs. Naomi C. Schwartz and Mrs. Shirley Greenholt. At the conclusion of the business, refreshments were served by Mrs. George W. Strevig, Mrs. Earle J. Black, Mrs. Stanley S. Horner and Mrs. Robert H. Miller.

## SPEEDER WINS RADAR APPEAL

PITTSBURGH (AP) Whether the use of radar as a speed-trap device is legal remains up to the State Legislature. It's not legal in Allegheny County.

So ruled Judge James M. Guffey Wednesday in upholding the appeal of William Russell, an Akron, Ohio, truck driver, arrested for speeding on the Pennsylvania Turnpike last June 24.

Russell was caught in a radar trap near the Pittsburgh interchange and was fined \$15. He appealed to the court. Judge Guffey's decision means Russell will be reimbursed the fine.

A similar case was appealed before Judge John G. Brosky of the Allegheny County Court last September. He also upheld the appeal but did not specifically rule on the legality of radar.

## IDAHO STATION GETS TEST IN SHIP REACTOR

IDAHO FALLS, Idaho (AP)—A large ship reactor designed to prove the effectiveness of atomic propulsion for a cruiser and aircraft carrier went into operation Tuesday at the nearby National Reactor Testing Station.

Rear Adm. H. G. Rickover, chief of the Navy's nuclear program, was present when the reactor sustained a chain reaction.

Rickover said he feels the large ship reactor will prove as revolutionary as the atomic submarine.

"We may find new, undreamed of uses for big surface ships. These are things that must be tried out before we can fully assess their value," he said.

The prototype power plant is a huge hull with two atomic reactors driving a single shaft. It was designed for two nuclear-powered ships now under construction—the guided missile cruiser Long Beach and the aircraft carrier Enterprise.

Sen. Henry Dworshak (R-Idaho) a member of the Joint Congressional Committee on Atomic Energy, said surface ships powered by the atom could eliminate tankers and big fueling installations ashore.

The prototype power plant was

## Probe Pittsburgh Police Department

PITTSBURGH (AP)—A federal grand jury Wednesday began probing alleged corruption in the Pittsburgh police department.

The jury will not indict anyone. However, if it determines indictments are warranted it will make recommendations to the next grand jury.

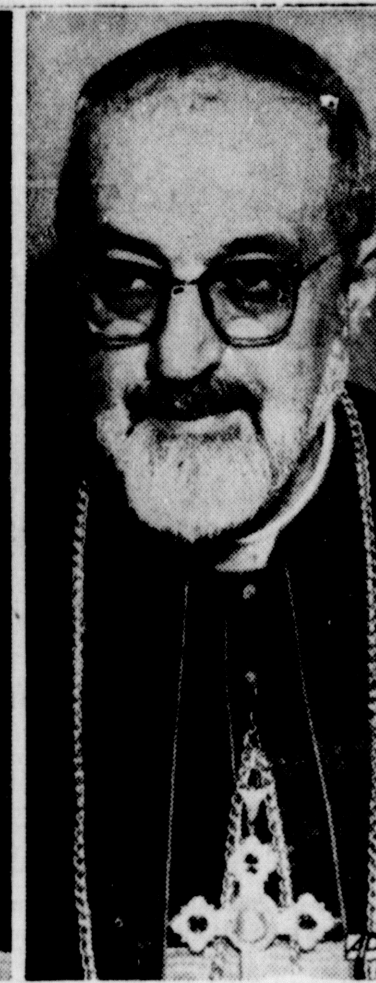

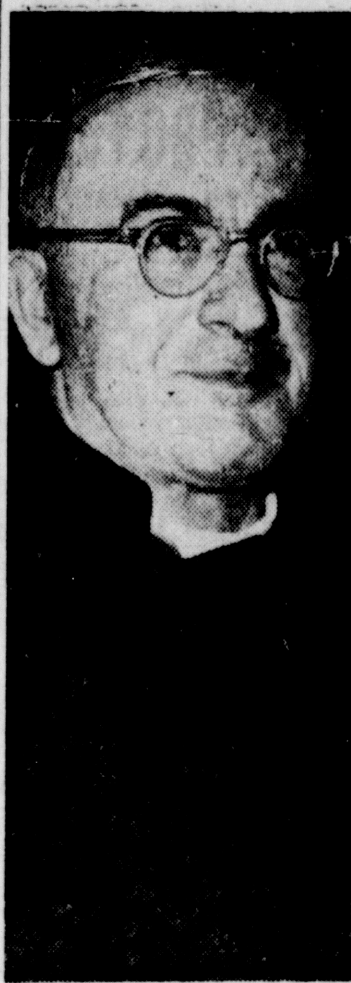

Among the many witnesses scheduled to appear in Miss Shirley Cavanaugh who was involved in a shooting incident with former Patrolman Allen Carnahan at a downtown club in February, 1957, Carnahan was shot with his own revolver. He recovered and was suspended from the force.

The probe of the police department was instituted by Hubert Teitelbaum, U. S. attorney for Western Pennsylvania.

COLUMBUS, Ohio (AP)—At least 12 wives here get paychecks from the same place as hubby—the Columbus police department. Two are policewomen, three are matrons in the women's section of city prison, three clerks, two records keepers, one a telephone operator and one is police nurse.

designed and developed by Westinghouse Electric Corp. in cooperation with the AEC. The Newport News Shipbuilding and Drydock Co. built the simulated hull and the installed nuclear and machinery plant components under a subcontract with Westinghouse

## Possible Successors To Pope

These three cardinals are among those who are possible successors to Pope Pius XII. They are, left to right, Cristoforo Cardinal Luce, 69, Archbishop of Bologna; Eugene Cardinal Tisserant, 74, French-born dean of the College of Cardinals, and Gregory Peter Agagianian, 63, Russian-born Patriarch of Armenia.

SINGAPORE (AP)—The Singapore government has banned the import, sale and circulation of all publications from 53 publishing houses in Red China and Hong Kong.

The chief secretary also revoked permits of seven local "mosquito" newspapers — 4 to 8 page papers published at intervals of one to three weeks — because they consistently published material "harmful to the security of Malaya or to public morals."

STOCKHOLM, Sweden (AP)—Swedish scientists say the current series of Soviet nuclear test explosions is being held in the Barents Sea 1,350 miles north of Moscow.

Markus Bath, an assistant professor at the seismic laboratory at Uppsala, wrote Wednesday in the newspaper Dagens Nyheter that measurements at four stations in Sweden pin down the tests to the same area where Russia held tests last year and early this year.

The spot is about 40 miles west of the central coast of Novaya Zemlya, an island between the Russian coast and the Arctic Ocean.

### PICK SHOW QUEEN

HARRISBURG (AP)—A blonde Pittsburgh has been named the 1958 Rodeo Livestock Queen at the Pennsylvania National Horse Show.

Marilyn Lee Painter, 21-year-old animal husbandry major at Penn State, won over 14 other girls from all sections of the commonwealth. She will reign during a combination livestock exposition and rodeo here the week of Nov. 10.

## What you can't see... is still there

When you can't see the pinched, hungry-looking faces of millions of our friends overseas... you forget about them. You forget that threadbare ragged clothes give little comfort through a long, hard winter. You forget that many of our friends are unable to earn their living because of wartime injuries. But the reality remains. America's religious faiths carry on 80% of the voluntary overseas aid.

### SAFETY ACCIDENT

SAN DIEGO, Calif. (AP)—For 176 days there had been no lost-time accidents at Convair-Astronautics, builder of the U.S. Air Force's Atlas intercontinental ballistic missile. Then, a woman employed stumbled over a safety first sign and was hospitalized with a fractured knee.

The human heart rests about eight-tenths of a second between each contraction.

### OPEN NEW BYPASS

PITTSBURGH (AP)—The 8 million dollar Etna-Sharpsburg bypass was opened to traffic Thursday at a ribbon cutting ceremony.

The bypass is only 1.52 miles long but it will save much time for motorists since it allows motorists to bypass the Allegheny River communities of Etna and Sharpsburg. For the next two weeks, until paving of some adjacent streets is completed, a 25 mile an hour speed limit will be enforced.

BELFAST, Northern Ireland (AP)—A team of doctors and nurses has won a fight for the life of a baby claimed to be the smallest ever to survive.

Teresa Toner, nicknamed Penny, weighed only 1 pound 6 ounces when she was born 14 weeks prematurely at a Downpatrick hospital Sept. 11.

She was rushed to the Royal Maternity Hospital in Belfast and placed in an incubator. She has been there ever since.

Today the baby weighs almost two pounds, is 13½ inches long. Doctors hope she'll be home for Christmas.

## Ike Concludes Cross-Country Swing; Is Accused By Adlai

By THE ASSOCIATED PRESS  
President Eisenhower concludes his cross-country campaign swing today, accused by Adlai Stevenson of joining Vice President Nixon "in a desperate, intolerable, demagogic type of campaign."

With Eisenhower returning to Washington from his weeklong speaking tour, Nixon again took over the brunt of the Republican campaign for GOP congressional candidates with a swing into New York.

Eisenhower carried on his battle for a Republican Congress Wednesday night in Chicago with a renewed blast at "radical" Democrats and Democratic economic policies.

### Hard-Hitting Style

In the same hard-hitting campaign style he first unveiled in California, he told some 4,500 cheering party workers his administration has licked the recession without "a federal wheel chair," in spite of what he termed radical demands from congressional Democrats for huge spending programs.

Eisenhower's repeated use of the word "radical" during his tour brought heated criticism from Stevenson. Eisenhower's Democratic presidential opponent in 1952 and 1956.

"The old Nixon has been joined by the new Ike—or a new speech writer—in a desperate, intolerable demagogic type of campaign," Stevenson told a meeting of Democratic precinct chiefs in Chicago.

### Curbed Inflation

Joining Eisenhower in praise of administration economic policies, Nixon told New England audiences that radical Democrats will go to Congress if GOP Senate and House candidates are defeated in the North and West.

At a party rally in Providence, R.I., Nixon said the Eisenhower administration has managed to curb "the runaway inflation it inherited from the Democratic party."

But, he said, "this administration may well find it impossible to keep these curbs if the Democrats from the free-spending wing of the party—the radical group—from the North and East—seize

control of Congress and are able to overwhelm the moderate forces of the Republican party and the Southern Democrats."

### Truman Vs. Butler

In New York, former President Harry S. Truman voiced disagreement with Democratic National Chairman Paul Butler on the issue of Southern Democrats who oppose the party's stand on civil rights.

Truman, who winds up his current campaign tour in Boston today, said: "I am not reading anyone out of the Democratic party. I want all the people in the Democratic party."

Butler suggested last weekend that Southern Democrats who disagree with the party's civil rights stand either join the Republicans or form a new party.

Butler denied in Washington that he had attempted to read anyone out of the party and expressed confidence millions of Southerners will continue to vote Democratic.

Winding up his 5,300-mile speaking tour, Eisenhower said the Democrats can offer nothing but "deadlocked government."

Americans have become more prosperous than ever before during the six years he has been in office, he said.

## TRUMAN WILL BE AT BOSTON RALLY TONIGHT

By ERNEST B. VACCARO

NEW YORK (AP) — Give 'em Hell Harry S. Truman winds up his national campaigning today for Democratic congressional candidates with a sentimental journey to Boston.

The ex-President didn't sound half as tough as some of his campaign oratory might imply as he explained the purpose of his trip to the hub where Sen. John F. Kennedy (D-Mass.) appeared supremely confident of re-election.

Truman's motives were simple. Rep. John McCormack (D-Mass.) House majority leader, is a close personal friend and was his loyal supporter when he was in the White House.

### Sentimental Streak

And, since tonight's dinner in Boston is in honor of McCormack's nephew, State Atty. Gen. Edward McCormack — now serving by appointment and a candidate for election—Truman thought it only right for him to join in the celebration.

It was the same sort of sentimental streak that brought the 74-year-old Democratic campaigner hurrying back to New York Wednesday night to put in a few more licks for Gov. Averell Harriman.

### Went To Harlem

Harriman, his former secretary of commerce and diplomat, is in the midst of a hectic fight for re-election against Nelson Rockefeller and, as if everybody didn't know already, Truman wanted to make it clear where he stood.

Truman went into Harlem, where as an advocate of civil rights he has a big following, to say that Harriman is a friend of the Negroes, "and if you don't go along with your friends you'll deserve what you get."

Truman is expected to develop the civil rights theme further in his address in Boston tonight.

He hasn't any more political speeches in mind until he winds up his campaigning with a major talk in St. Louis the Saturday night before election.

## STATE C. OF C. SELECTS ERIE MAN AS PREXY

BEDFORD, Pa. (AP)—G. Richard Fryling of Erie, who Wednesday night was re-elected president of the Pennsylvania Chamber of Commerce, says the organization will assist its member firms in sound political action programs.

Speaking at a membership meeting of the state group, Fryling said recent announcements by business firms to take an active part in politics is welcome news.

He added: "While individual businessmen can and must work through the party of their choice, the state chamber's effort, of course, is entirely bipartisan."

Re-elected vice presidents were David H. Harshaw, Philadelphia; Penrose Hertzler, Pottsville; Scott C. Rea, Sunbury; and A. J. Sordani Jr., Forty Fort.

One new vice president was elected. He was W. D. Gillen, president of the Bell Telephone Co. of Philadelphia.

Also re-elected were Richie Lawrie Jr., Harrisburg, treasurer, and Henry B. Gilbert, Harrisburg, assistant treasurer.

Twelve New Members  
The state group also elected 12 new members to its board of directors. They were:

Anthony G. Felix Jr., Philadelphia; A. A. Garthwaite Jr., Conshohocken; Andrew Kaul III, St. Marys; J. Collins McSparran; Harrisburg; Glenn A. Mengle, Brockway; E. Mac Troutman, Pottsville; W. L. Wearly, Pittsburgh; Melvin A. Zurn, Erie; Rae Boyd, Norristown; Robert B. Garman, Tyrone; Thomas E. Lehman

## VARIED GRID FORMATIONS ON PRO FIELD

By JOE MOOSHIL

Associated Press Sports Writer  
CHICAGO (AP) — This is the year of varied formations and the Chicago Cardinals are adding spice to the already hopped-up National Football League.

Coach Frank Ivy, who took over this season after winning three Grey Cups in four years with Edmonton in the Canadian League, has introduced the double wing-T and triple wing-T in the pro loop.

III, Wilkes-Barre, and Grover C. Gouker Jr., Hanover.

His success is a matter of record. The Cardinals are tied for second place in the Eastern Division and lead the entire league in total offense. They have lost two of their four games only because of failings on defense.

### Came From Canada

Ivy's innovations come from Canadian football, which is played with 12 men who toss the ball around as if they were on a basketball court.

These wing formations enable a team to exploit the passing game as attested by the Cardinal record of 63 completions in 119 attempts for 1,023 yards and 8 touchdowns.

"We may sacrifice a little straight power," says Ivy, "but we also have four or five men to pass to quickly. Also our backs are close enough so that they can take the ball and run with it."

### Snow Advantages

In the double wing-T, the Car-

dinals split their ends as wide as desired. The quarterback and full back remain in regular T-formation positions. The two halfbacks, however, are a yard behind the line of scrimmage and are directly behind or a step outside the tackles.

This gives the halfbacks an advantage of several yards if they are used as pass receivers. They can also pull back and block for the passer.

In the triple wing-T, the fullback leaves his regular position and moves in between the split end and the halfback. This way the Cardinals have five pass receivers who can move into the secondary quickly.

Martin Johnson of Trail, Minn., is the heaviest player on the North Dakota freshman football team. He weighs 230 pounds and stands 6-feet-4.

## "Wonderful Bad Winter" Is Forecast In Baer's Almanac

LANCASTER, Pa. (AP) — It's going to be a wonderful bad winter, said the sages in the idiom of this famed Conestoga wagon country.

If you scoff at the prophecy of such a scourge, just hearken to how the Pennsylvania Dutch are getting ready for it:

They are waxing sleigh runners, combing out fur caps, stocking up on venison and shaking out the great feather beds.

Out For 134th Year

It's all down in crafty black and white in the new John Baer's Almanac for 1959, out today for its 134th year as a sheet anchor of agriculture and a sturdy survivor of quaint Americana.

Baer's Almanac treats the reader to weather lore, cooking recipes, jokes and puns, gems of wisdom from the old masters, folk tales, little poems and tips on animal husbandry. It offers an engaging change of pace, foxy twists, and a mixing of old-fashioned advice with occasional concessions to modernity.

Forecast March Snow

Backing up its forecast of a winter of snowstorms and cold waves, the almanac notes exultantly that it foretold the snow of last March, "the worst in the memory of living men." That storm immobilized a vast chunk of the nation for days and brought back pioneer rigors.

Rubbing it in, Baer's says watch out for the Ides of March this year too.

## Politics

KITTANNING, Pa. (AP) — Arthur T. McGonigle, Republican candidate for governor, said on Wednesday his Democratic opponent, David L. Lawrence, has not given one reason why the people should vote for him.

And McGonigle said in a statement here, "there are many reasons why they should not vote for him."

He said one of the reasons was "he (Lawrence) will increase the taxes. He has promised without reservation to continue (Gov.) George Leader's wasteful spending program. The most conservative estimate shows this will require at least 500 million dollars. To raise this amount he will continue to fight for the Leader-Lawrence type of state wage and income tax."

Hugh Scott, GOP candidate for U.S. Senate, urged newspapers, radio and television stations and the voters themselves to organize a "get out the vote" campaign for election day, Nov. 4.

"The people who can swing this election will be everyday folks who know my record . . ." Scott said in remarks prepared for visits to Lackawanna County industrial plants.

WILKES - BARRE, Pa. (AP) — Gov. George Leader said Wednesday labor surplus areas will wait four years or more for any effective help if they vote Republican in the Nov. 4 election.

"And they'll have only themselves to blame," he said in a speech prepared for a tour of Luzerne County.

Leader, without naming Arthur T. McGonigle, Republican candidate for governor, referred to McGonigle's remarks about creating a state program of aid to labor surplus areas rather than depending on a federal program.

"This gentleman is either ignorant of the facts or lacking in human concern for the jobless men and women of our hard-hit communities," the governor said.

He said the proposal would require an amendment to the state constitution and that would take "a minimum of five years, during which our labor surplus areas would receive no further help from either state or federal government in their effort to get back on their feet economically."

Leader said the problem requires both federal and state action.

DETROIT (AP) — Four new police cases were reported in Detroit Tuesday bringing the city's epidemic case load this year to 602 with 19 deaths. Wayne county, outside Detroit, recorded two new cases for a total of 186, with one death.

legue; and trustee for a three-year term, Eugene S. Farley, president of Wilkes College.

Others elected include: Vice president, Eric Walker, president of Penn State University; secretary, Frederic K. Miller, president of Lebanon Valley College; treasurer, Raymond S. Haupt, president of Moravian College.

## NEED OUGHT TO BE REQUISITE FOR AID GRANT

BEDFORD, Pa. (AP) — Colleges and universities should make financial need the first requisite in granting aid to students, says a group of 60 educators.

They made the suggestion in a resolution adopted Tuesday at the annual meeting of the Pennsylvania Assn. of Colleges and Universities.

The resolution covers only scholarships and financial aid granted by colleges and universities from their own funds and has no bearing on National Merit Scholarships and those awarded by industrial firms.

Loans Instead Of Gifts

The association also adopted a resolution favoring financial aid to students in the form of loans instead of outright scholarships. In this regard it approved the Federal government's educational loans under the National Defense Education Act.

The Rev. William G. Ryan, president of Seton Hill College, Greensburg, was elected president at the close of the two-day convention.

Others elected include: Vice president, Eric Walker, president of Penn State University; secretary, Frederic K. Miller, president of Lebanon Valley College; treasurer, Raymond S. Haupt, president of Moravian College.

## LEGAL FIGHT PERILS CIVIL RIGHTS GROUP

By DAN COGGIN

TUSKEGEE, Ala. (AP) — The Civil Rights Commission's failure to gain access to county voter records may touch off a legal struggle which could forecast effectiveness of the federal agency in the South.

Implications are strong that a state's right to governmental privacy as well as racial discrimination will be prime factors in any federal action over Macon County's closely guarded registration files.

Such a legal fight, some observers believe, might make or break the new Civil Rights Commission.

White supremacy will not be surrendered easily in Macon County, where racial strife long has been commonplace, these observers say. And Atty. Gen. John Patterson, Democratic nominee and thus assured of the next governorship in this Democratic stronghold of the Deep South, has solidly blessed efforts to maintain white reign.

Negroes outnumber white residents about 6-1 in the county, home of famed Tuskegee Institute. At the polls, however, white voters rule by a 2-1 margin and sew up all county and city government posts.

Defiance of any possible change in this pattern came to the fore Monday when county voter registration officials refused to turn over their records of two of the commission's agents from Washington.

Indications that a showdown may be brewing came Tuesday night in a telephone interview between the Montgomery Advertiser and A. H. Rosenfeld, director of the commission's Office of Complaints, Information and Surveys.

"The commission will have to consider some sort of action when it meets in Washington Thursday," Rosenfeld said, "but I don't have the slightest idea what the action will be."

Rosenfeld, reached at Alexandria, Va., said he had not heard from Burton J. Goodyear and O. J. Peterson, the agents who he said "intended to check the voter records as a result of complaints we had received."

## CITES COSMIC HURDLE FOR SPACE TRAVEL

By C. YATES MCDANIEL  
WASHINGTON (AP)—The first space man must cruise within 600 miles of the earth or zoom more than 2,000 miles up to escape a layer of deadly cosmic radiation, a noted rocket scientist said Wednesday.

Dr. Ernst Stuhlinger of the Army Ballistic Missile Agency presented those estimates in a speech prepared for a convention of the Association of the U.S. Army.

Above 600 miles, he said, radiation is up to 10,000 times greater than it is nearer the earth, and this area can be penetrated only for limited periods.

**Might Pass Through**  
The German-born scientist based his estimates on radio reports from the Army's Explorer satellites, none of which exceeded 2,000 miles in orbital height.

He made no mention of this month's Air Force moon rocket, shot to a height of nearly 80,000 miles. Preliminary information from that shot indicates the radiation may increase in intensity to a height of 5,000 or 6,000 miles and begin to diminish about 10,000 miles above the earth. A State University of Iowa scientist said, however, these reports were premature.

Dr. Stuhlinger said that, based on analyses of reports from the American satellites, the radiation belt may peter out at about 2,000 miles altitude. He said that if this is proven true, a space man could journey through the forbidden zone if he spent no more than an hour or so in the area.

## SAYS BOOTLEG GANG HAD TIP

PHILADELPHIA (AP)—U.S. Atty. Harold K. Wood says some one tipped off the operators of a huge still in Reading that federal agents would raid it.

He made the statement Tuesday after Reading's Mayor Daniel F. McDevitt, accused the federal agents of letting the operators escape during the June 7 raid.

Wood maintained that the still could not have been operated in a warehouse eight blocks from the City Hall without the knowledge of municipal officials.

The attorney would not say, however, if he meant the tipoff came from the officials or from others. A federal grand jury is investigating a possible connection between the still and a bootleg liquor ring operating in Pennsylvania.

## Shop Near Easton Razed By Flames

EASTON, Pa. (AP)—An auto spring shop in suburban Wilson Borough was razed Tuesday by a blazing fire that sent towering clouds of smoke rolling over the city.

The fire in the long concrete block building started when a workman placed a piece of hot steel in a pool of oil and flames shot to the ceiling.

No one was injured, but two firemen barely escaped from the building before the roof collapsed.

The company made no immediate damage estimate.

## Abbottstown

Mrs. Della Butt

ABBOTTSTOWN — The youth fellowship of the United Church of Christ met at the church Sunday afternoon and went as a group to visit Stevie Alwine, a patient in the Hanover Hospital since he had his foot mangled by a power mower several weeks ago.

Each member of the group carried a gift for Stevie to give him something to while the time.

The Ever Ready Class of the United Church of Christ will sponsor a congregational Halloween party in the social rooms of the church Saturday at 7:30 p.m.

LeRoy Witters has returned home after being a patient in the Hanover Hospital.

Mrs. Charles Slothour was honored at a birthday party given by her daughter, Mrs. John Lillich, recently. Out-of-town guests attending were Mrs. Bernice Custer and Dr. and Mrs. George H. Berkheimer, Ambler; Mr. and Mrs. Carroll Slothour and their children, Anita, Malcolm Jr. and Rebecca, Hanover; Mr. and Mrs. William Angle, York, and Mr. and Mrs. Fred Custer, Roslyn.

Miss Evelyn Altland, Fullerton, Calif., is visiting at the home of her parents, Mr. and Mrs. Leo Altland.

The church men of Paradise Catholic Church opened their fall and winter series of shooting matches this past weekend for the benefit of the parish.

## SEEK RELEASE OF KIDNAPED YANKS IN CUBA

HAVANA (AP)—For the second time in four months, the U.S. Consulate in Santiago Wednesday sought the release of Americans kidnaped by rebels in eastern Cuba.

The American Embassy in Havana said Ambassador Earl E. T. Smith had instructed Consul Park Wollam "to take a firm position in his contact with the rebels."

Two Americans and seven Cubans were abducted from a Texaco refinery near Santiago Monday and taken to rebel hide-outs in the jungled mountains. The rebels told the Texaco manager they would be returned shortly, the embassy said.

**May Have Been Ordered**  
The Americans are Charles R. Bennett, 35, the refinery supervisor of maintenance and construction, whose wife and year-old son live in Santiago, and Kenneth H. Drewes, 40, of Joliet, Ill., machine shop foreman, whose wife also lives in Santiago.

It was not immediately learned whether the kidnappings were ordered by rebel leader Fidel Castro, who has been waging guerrilla warfare against President Fulgencio Batista for the last two years from jungle camps in the Sierra Maestra Mountains west of Santiago.

## Next Satellite May Be Of Aluminum Foil And Plastic

WASHINGTON (AP)—An inflated balloon of aluminum foil and plastic film may be the next United States satellite to go into orbit around the earth.

Such a sphere is to be included in the next Army satellite firing attempt, expected in the near future at Cape Canaveral, Fla. It is to be sent aloft in a modified Jupiter-C rocket and inflated automatically with nitrogen hundreds of miles above the earth.

Blown up to a diameter of 12 feet, it could be seen with the naked eye in the reflected sunlight of dawn and dusk.

Similar balloons have been fired aloft—with no attempt to put them into orbit—from the Wallops Island, Va., experiment station now operated by the National Aeronautics and Space Administration.

The final stage of a slightly modified Jupiter-C will be a three-foot cylindrical case carrying the compressed balloon and a two-channel radio transmitter for tracking purposes.

The balloon will not have any

## DULLES AND CHIANG TALK AMID SHELLS

By SPENCER MOOSA

TAIPEI, Formosa (AP)—Secretary of State Dulles and President Chiang Kai-shek held new crisis talks Wednesday as a fierce artillery duel raged between Communist and Nationalist big guns.

On this second day of Dulles' visit, the United States warned Red China it will resume escorting supply ships to Quemoy if that becomes a military necessity. But the Reds stepped up their bombardment of the Quemoy, raining nearly 1,000 shells an hour on the offshore stronghold.

The Nationalist Defense Ministry said their guns on Quemoy answered the Communist barrage but gave no figures on what AP Correspondent David Lancashire on Quemoy called a shell-for-shell return.

**5,293 Shells**  
The Defense Ministry tally of Red shelling was 5,293 shells between noon and 6 p.m. making 8,376 rounds for the past 12 hours.

The Communists shattered their cease - fire Monday with more than 11,000 shells fired on the island.

## Storm Off Carolina Coast Tames Down

CAPE HATTERAS, N. C. (AP)—A once - vicious northeaster, which lashed North Carolina's coast Tuesday, had tamed down Wednesday and was about 10 miles southeast of Myrtle Beach, S. C.

The Weather Bureau said it appeared that the storm would remain stationary off the South Carolina coast and might wear itself out there.

The storm moved off the North Carolina coast Tuesday night. It had lashed the coastline for more than 24 hours with damaging results.

ians have been killed and seven wounded during the three days of Communist shelling.

**Held 3 Meetings**  
Dulles and his aides held three meetings with Chiang Tuesday, a 45-minute session this morning, and met tonight for another state dinner to be followed by talks.

The first announced result of the conference was a statement authorized by Dulles and issued by U.S. Ambassador Everett F. Drumright warning that U.S. warships may return to escort duty to Quemoy. The escorting was halted after the Reds first proclaimed a cease-fire.

## SCHOOLS MAY USE REACTORS

PITTSBURGH (AP)—Westinghouse Electric Corp. will offer free use of a new experimental reactor to colleges and universities to further basic research and education in nuclear fields.

The firm made the announcement Wednesday at the conclusion of a two-day news conference on scientific developments.

A Westinghouse spokesman said the new testing reactor, being built at a cost of \$10,000,000 in nearby Waltzmill, Pa., is expected to go into operation next May.

The experimental reactor will test materials and nuclear fuels under radiation conditions similar to those in an actual operating power reactor. It also may be used for limited production of radio isotopes for industrial and medical use.

In another development Westinghouse decommissioned its oldest atomic research tool, a 90-ton atom smasher at its suburban Forest Hills site. Built in 1938, it was the world's first industrial atom smasher.

## York Springs

OPEN HOUSE  
SUNDAY AT  
PARSONAGE

An open house will be held Sunday from 2 to 5 p.m. in the Methodist parsonage, York Springs. Members and friends of the York Springs, New Oxford and Hunters-town churches are invited to visit the renovated parsonage.

The girls of the intermediate class will serve as guides for the afternoon.

Andrew Martin, Roy Williams and his employees and Mark Hinkle were the carpenter and painters for the renovation project. The members of the parsonage committee are Donald Miller, Mrs. Mary Whitcomb, Mrs. Elmer Coulson and Mrs. Andrew Martin. The midweek service for prayer and Bible study were held on Wednesday at 7:30 p.m. in the Methodist Church.

## Laymen's Day

Laymen's day was observed Sunday at the Methodist Church. The service was in charge of Donald Miller, who gave the call to worship. After the singing of "Praise to the Lord" and "Sweet Hour of Prayer" the responsive reading was led by Robert Rhoads. The scripture lesson by Donald Miller was followed by prayer by Mrs. Merle Miller. A solo, the Negro spiritual, "Slow Me Down, Lord," was sung by Mrs. Robert Rhoads, accompanied by Mrs. John Milhimes. Russell Rouzer, Hanover, was the guest speaker.

Arthur Michael, of the Hanover Area Christian Business Men's Association, was the guest speaker at the Emory Methodist Church in New Oxford on Laymen's Sunday. William Snyder was leader for the morning worship service. Other men participating were Carroll Shorb and Myron Warren.

## Ninth Birthday

A meeting of the executive committee of the Bermuda Springs Jointure PTA, York Springs area, will be held Monday at 8 p.m. in the high school. This committee includes all officials and committee chairmen. Elementary teachers of the York Springs area are also invited to attend the

meeting.

Jo Anne Hankey was honored on her ninth birthday anniversary at a party given by her parents, Mr. and Mrs. Kenneth Hankey Jr. About 30 children were guests. They played games and prizes were won by Kenneth Miller, Gregory Wonders, Donald Fair and Glenda McDermitt.

Mr. and Mrs. Jerry LaRue and children, Sonya, Victor and Daniel, visited Mr. and Mrs. Lloyd Grove in Dillsburg.

Mr. and Mrs. Emory Guise visited their son-in-law and daughter, Mr. and Mrs. Carol Heisey, Lancaster, recently.

Mrs. Robert Rhoads participated in the musicale at the Lower Bermudian Lutheran Church on Sunday night. Her solo was a Negro spiritual, "Slow Down." Members of various churches in the community participated.

The Crusaders' Class will meet at the church this evening.

Miss Lola Guise spent the weekend at Liverpool, Pa.

Mr. and Mrs. Parvin Bowers spent part of last week at the home of their son and daughter-in-law, Mr. and Mrs. Maurice Bower, Millington, N. J.

## WCS Meeting

The WCS of the York Springs Methodist Church will meet Friday at 7:30 p.m. in the church. Materials will be made into bandages and boxes packed to send to a missionary. And old white material, used white shirts, will be appreciated. Also eye glasses and frames are being collected.

The October meeting of the Wesleyan Service Guild of the York Springs Methodist Church was held Friday evening at the home of Mrs. Lovina Hoff. The meeting was opened by the vice president, Mrs. Mary Whitcomb, who read the scripture. Songs included "An Evening Prayer," "If Jesus Goes With Me" and "Are Ye Able." The secretary's report was given by Mrs. Larry LaRue.

After a short business meeting, refreshments were served by the hostess and the co-hostess, Mrs. Mark Hinkle. Those present were Mrs. Mabel Miller, Mrs. Mark Hinkle, Mrs. J. Roy Diehl Jr., Mrs. Jerry LaRue, Mrs. Larry LaRue, Mrs. Mary Whitcomb, Mrs. Lloyd Williams, Mrs. Mark Hinkle, Beth Hoff, Janet Miller, Linda Hinkle, Sonya LaRue and Wayne Hoff.

The next meeting will be held November 29 at the home of Mrs. Raymond Leer. The topic for that

meeting will be "Holiday Parties."

The Hunterstown WSCS met recently at the home of Mrs. Esta Reedy. Mrs. Marion Swope, president, led the devotions. Mrs. Esta Reedy read the 45th chapter of Jeremiah. The Lord's Prayer by the group followed. Mrs. Dorothy Wileman gave a review on a missionary story, "Cry of The Empty Stomach." The society voted to sponsor the annual Halloween parade in Hunterstown on Saturday night and a record hop at the Hunterstown Rod and Gun Club after the parade. Refreshments were served by the hostess. Those present were Mrs.

Pauline Little, Mrs. Grace Little, Mrs. Grace Whisler, Mrs. Gladys Wirts, Mrs. Julia Meyers, Mrs. Ruth Ray, Mrs. Wileman, Mrs. Annie Mathews, Mrs. Bernice Englebert, Mrs. Betty Buckley and Miss Sophie Mathews.

Twenty-five members, relatives and friends of the Hunterstown WSCS were on a chartered bus tour to Washington, D. C., Saturday.

John D. Nitchman was received into the membership of the Lower Bermudian Lutheran Church Sunday. Two children were baptized: Michael David, son of Mr. and Mrs. Fred Ebersole, and Ricky Lee, son of Mr. and Mrs.

John Nitchman.

The adult Sunday School class of the Lower Bermudian Church sponsored a covered dish supper and social Wednesday at 6:30 p.m. at the church. Each family was asked to bring a dish of food.

The Community Youth Fellowship of the York Springs Lutheran parish is planning to attend the county Reformation service at the seminary, Gettysburg, Sunday evening at 8 o'clock. They will leave the York Springs church at 7:15.

TAKES STAND  
FOR DEFENSE

LEWISBURG, Pa. (AP)—A secretary testified her that her former boss, one of three men on trial for conspiracy to cheat the government, could have signed a contract without knowing it. The prosecution has claimed that Col. Charles F. Burley, Dayton, Ohio, signed a contract with Royal Electric Co., Dayton, Ohio, after disqualifying himself in dealings with the firm.

former secretary to Burley, testified that she stacked contracts on Burley's desk with only room for his signature after they had been approved by the procurement committee.

The secretary, appearing as a defense witness Tuesday, formerly was called by the government as a prosecution witness.

The government contends that Burley, Col. Ralph O. Brownfield, Winfield, Kan., and Robert F. McNett, president of Royal Electric, conspired while the officers were stationed at Olmsted Air Force Base, Middletown, Pa.

## Pie Still In The Sky For 99 Per Cent Of Russians 41 Years After Red Revolution

By ROY ESSOYAN  
Associated Press Staff Writer

Forty-one years after the Russian Revolution the pie is still in the sky for 99 per cent of the Soviet people.

The way the Russians feel about it is illustrated by one of their anecdotes:

One Soviet citizen says things are going to be great—every Russian will have a private jet plane by 1960.

"What do I want a jet for?" a friend asks.

"Don't be a fool," the first man says. "When Pravda reports there are eggs in Vladivostok you jump into your jet and go to Vladivostok."

The Russians have made impressive strides in housing and consumer goods since Stalin died. Drive into Moscow from any direction and your view is blocked by uninspiring but massive construction projects. And GUM, the biggest department store, has a window full of high-heeled shoes.

One Family Per Room

But 90 per cent of Moscow's residents haven't a hope of getting a new apartment in the next few years. Most live one family to a room, sharing a four-burner gas stove and bathroom with three or four other families. And it takes months of waiting to buy an ordinary attractive pair of shoes let alone high heels.

On the surface, Moscow looks a great deal better than it did three years ago. There are more goods. Clothes are still shapeless and drab. But last year the govern-

ment put out a neat raglan-sleeve raincoat in tan and navy blue. It has improved the street appearance of the Soviet male as nothing else in 41 years.

Even Warsaw is a riot of color and revelry compared with Moscow.

**Moscow Crowded**  
Everything is crowded in Moscow. The streets are a sea of gray humanity. It's a fight to get into the stores. The restaurants are nearly always crowded. People hover outside every theater, movie, opera house and sports stadium clogging tickets. Tickets to most amusements are allotted by party or trade union organization. The public gets the leftovers.

There are lines for nearly everything in Moscow, from buses to streetcars to the pop and ice cream vendor on the corner. In the better stocked grocery stores the lines are three deep.

Once at GUM I saw a line of several hundred people. I asked women near the end what they were waiting for. They weren't sure. It turned out to be cheap Chinese tablecloths. The line starts forming at dawn, two or three hours before the store opens.

**Medical Care Free**  
There aren't enough stores, theaters or stadiums to go around. As long as the government owns them all, it would be poor business to open more to compete with one another.

A family budget would stagger an American housewife. Rent runs less than 5 per cent of income, or 30 to 60 rubles. The ruble is worth 10 cents at the tour-

ist rate. Medical care is free, if you can spend days waiting your turn at a state clinic, or work your way through the cots that line corridors of the average hospital.

**Most For Food**  
Vacations at state sanatoria are free or cut rate if you have a good job, work hard or have influence.

The bulk of the Soviet family budget goes on food. Most Russian families, with everyone working, have money to spare.

They can't afford to buy anything as luxurious as clothes regularly, so they spend it on amusements, or more food. Every year or so they splurge on a coat for Ivan or a pair of shoes for Galina.

The Soviet Union has produced a generation of cynics, and the most cynical are its youth.

An American in Moscow soon finds that 40 years of hothouse breeding has not created an unthinking robot and stifled human curiosity, skepticism or ideals.

But this may still turn out to be a discouraging discovery.

The cynicism of youth is no direct threat to the regime. It is not of the sort that moves mountains.

Most young Russians have a consuming curiosity about the world outside, especially the United States.

They don't believe most of what they're told—that's propaganda, and they've built up an immunity to propaganda—but they have little to fill the holes.

**Get Voice Of America**  
They pick up the Voice of America—it comes booming out of tenement windows in Moscow, Leningrad and Tiflis—and they button-hole tourists for scraps of information.

Moscow radio drones out its messages of hate, dressed in words of peace, but Russians you talk to couldn't care less. They're far more interested in the price of shoes in New York.

Unquestionably, many young Russians accept the party line—hook and sinker. They are the 10 per cent or so who end up with the good education and know which side of their bread gets the butter. Others, at the other end of the social spectrum, are too busy earning their bread to think too hard, but not too busy to bear resentment.

Tomorrow: A little bit of freedom

When you buy dried peaches you may be getting those from the freestone or clingstone fruit. One pound of the dried fruit represents six to seven pounds of fresh peaches!

## SEE OUTCOME IN DOUBT ON CONGRESS FOR IKE'S DISTRICT

**THE ASSOCIATED PRESS**

Will the congressman representing President Eisenhower's home district be a Republican again?

The outcome is in doubt and observers cite the battle in Pennsylvania's 19th District as so close it could be decided by a handful of votes.

There is no decided edge for either the Republican incumbent, 70-year-old S. Walter Stauffer, or his Democratic opponent, James M. Quigley.

**Quigley Won Once**  
Quigley, a 40-year-old attorney, has challenged Stauffer three times before and won once—in 1954 by 2,500 votes. Two years ago Stauffer unseated Quigley by 11,000 as Eisenhower won the Keystone State's electoral votes in a landslide.

The district, embracing Adams, York and Cumberland counties, is predominantly rural. But it is dotted with some industrial towns, York being the largest.

Gov. George Leader, Democratic candidate for the U.S. Senate, also is a resident of the district. He raises chickens in York County when he's not running the state

government.

**Quit As Aide**  
Quigley, after his 1956 defeat, returned to Washington as an aide to U. S. Sen. Joseph Clark (D-Pa.). But he resigned that post shortly before he won his party's nomination at last May's primary.

Observers have searched for some sign of voter preference. Only one has appeared; Democrats have taken a registration lead for the first time in over a decade.

Latest figures show Democrats have a lead of 2,000 out of 175,000 voters.

**Stauffer's Problem**  
Quigley last won in an off-year election, and Stauffer, a retired businessman who once was publicly embraced by Eisenhower as "my congressman," recognizes his problem:

"I feel that local and state issues are more important than national issues. I'm basing my campaign on my service to the voters of Adams, York and Cumberland counties."

Stauffer declared he supported the President's foreign policies, but differed on some domestic issues, adding pointedly: "My district comes first."

**Charges "Phony Facade"**  
Quigley, who doesn't deny that Leader's gubernatorial sweep in 1954, aided immeasurably in his own victory that year, describes his opponent today as a "postage-stamp congressman."

"Everything—I repeat—everything my Republican opponent said and did during the entire two years of the (last) 85th Congress would

## Find Bookmaker In Trunk Of Car

LOS ANGELES (AP)—Police say a credit office manager has admitted the hammer killing of a bookmaker whose body was found stuffed in the trunk of his own car.

Officers said Clifford Rue had slashed his throat in a jail cell suicide attempt Tuesday night and then admitted he had killed Maurice (Goldy) Goldworth in a quarrel over a \$4,200 gambling debt.

Goldworth, 51, who specialized in boxing and football bets, disappeared Thursday. His body was found in the car trunk Monday.

When questioned, Rue, 34, at first told police he last had seen Goldworth Thursday night after paying him the \$4,200. Then Tuesday night he broke down and admitted killing Goldworth with the hammer when the bookie demanded full payment, later shooting him with Goldworth's gun.

Rue, who is booked on suspicion of murder, was treated for superficial wounds of the neck and returned to his jail cell.

fit on six postage stamps, with room to spare."

"I'm convinced that this year the people in our area are going to see through my opponent's phony campaign facade about needing a Republican congressman."

## Swallows Are Expected To Leave Capistrano Thursday

By FRANK H. FRAWLEY  
SAN JUAN CAPISTRANO, Calif. (AP)—For the 181st time of record, the swallows of Mission San Juan Capistrano are due to leave their summer home today.

Legend has it that these North American swallows quit their nests in the mission Oct. 23, the day of St. Juan, and return March 19, St. Joseph's Day.

There may be variations either way, depending upon the weather and the leaders' inclinations. If the wing commander has a hang-over or spots storm clouds to the south, he could keep the swallow squadron around a day or so.

**Target Days Inevitable**  
This sort of heresy is frowned on in these quarters, however. The target days are held by some of the devout to be inviolate. They point out that San Juan and St. Joseph's Day are feast days and that for reasons beyond the ken of mortal man the swallows use these days for their migrations from and to this historic mission, founded in 1776 by Father Junipero Serra.

There will be special masses and pageantry today in the mission. Catholic schoolchildren will parade in monks' costumes and in Spanish dress to the tenuous accompaniment of mariachis. The mission bells in the Sacred Garden will toll later in observance

of the death of St. John Capistrano, from whom the mission gets its name. He was born in 1386 in the village of Capistrano, Abruzzi, Italy, and died Oct. 23, 1556, after the Battle of Belgrade.

**Will Fly South**  
With the tolling of the bells, the graceful swallows, among the very best fliers in space, are due to be off for Central and South America, where the winter feeding is better. The old will show the young the way. They are believed to fly mostly over water, without stop. They have been observed as far south as Patagonia.

Spring calls them back to this picturesque mission village. It is here the swallows build their nests and raise their families.

## HST ASSAILS IKE AND NIXON IN SPEECHES

By ERNEST B. VACCARO  
WILMINGTON, Del. (AP) — Harry S. Truman sought to label Eisenhower-Dulles foreign policy today as one of "blunder, bluster and brink of war."

The former President also dubbed Vice President Nixon the "chief hatchetman" for the Republicans. He said Nixon is trying to help the GOP candidates by using "verbal garbage."

Truman said this and more of Eisenhower and Nixon as he carried his Democratic campaign from Pennsylvania into Delaware.

**Speaks Scornfully**  
In an address prepared for a Democratic rally, he spoke scornfully of Eisenhower's claim of running a "sound government."

"A 'sound' government to the Republicans," the 74-year-old Democratic campaigner argued, "is the kind of government in which the President makes nice sounds while the vice president snarls."

And he added the Republicans can't make up their minds whether to aim their campaign "at the

reactionaries for their money or the liberals for their votes."

Nixon, Truman said, admits the Republicans are doomed to inevitable defeat unless they charge that the Democrats "are dedicated to socialism at home and warmongering abroad."

**In Top Truman Form**  
The voters, he said, "are not going to fall for that kind of verbal garbage again."

Truman was in top campaign form at a rally in New Castle, Pa., Tuesday night. He got a welcome there earlier in the day that rivaled some of his 1948 campaign appearances. He is flying into New York this afternoon to do some extra campaigning for Democratic Gov. Averell Harriman in his vigorously contested race for re-election against Nelson Rockefeller.

In his speech Tuesday night, Truman again charged that President Eisenhower had "surrendered to the Communists" in reaching an armistice in the Korean fighting.

"We are paying the fiddler right now for doing it," he said.

Truman has contended he could have made the same agreement on the same terms years before. But he didn't do so, he said, because he knew what would happen—Red Chinese troops would be freed to exert pressures elsewhere.

The ex-President took note of

## State Advances Teachers' Money

HARRISBURG (AP)—The Commonwealth plans to give Throop School District, Lackawanna County, a \$66,995 check today to pay four months of back salaries to teachers.

The money is an advance on a grant that ordinarily would not be made until next month.

The check will be paid under a recent ruling by Atty. Gen. Thomas D. McBride that the funds may be used for no other purpose than back salaries of teachers.

## SEEK CAUSE OF FATAL BLAST

UNIONTOWN, Pa. (AP)—Investigators are seeking the cause of an explosion that killed four men and injured two others at the Liberty Powder Co. plant in near Mount Braddock.

The blast occurred on Tuesday destroyed a 30-foot square structure where dynamite was readied for shipment. With a roar heard for miles around, the blast shattered windows and shook buildings.

It was followed by fire but other buildings escaped damage. The fire was brought under control within an hour.

Killed were Leonard McGee, 39, of Morrell; John P. Holub, 35, of Dunbar; Robert Trimble, 49, of Dunbar; and Lenn Burns, 41, of Uniontown.

John Morris, 41, of Uniontown, R. 1, and David Caffey, 27, of Footesdale, were treated at Uniontown Hospital and released.

## Find Missing Baby's Body; Strangled

PHILADELPHIA (AP) — The body of a 2-year-old girl, reported missing Monday night, was found before dawn Wednesday stuffed into a battered wicker shopping car near her home.

Two policemen discovered Geraldine Williams, in the yard of a run-down unoccupied house in the rear of her North Philadelphia home. She had been strangled.

Geraldine was reported missing by her mother, Evelyn, 31. The father, separated from his wife, came from his own home to join the house-to-house search.

differences between Sen. William F. Knowland (R-Calif.), candidate for governor of California, and GOP Gov. Goodwin Knight, seeking Knowland's Senate seat—differences President Eisenhower has sought to patch up.

"In one state," Truman said, "the Republican candidate for the Senate is not even supporting the Republican candidate for governor."

## GODDARD SEES AMENDMENT BEING PASSED

HARRISBURG (AP) — M. K. Goddard, secretary of forests and waters, today predicted overwhelming approval of a proposed constitutional amendment to give the owners of forest lands a tax break on their timber holdings.

The amendment, intended as a conservation measure, will appear on the Nov. 4 general election ballot for voter action after clearing both the 1953 and 1957 Legislature.

The question reads: "Shall Section One of Article Nine of the Constitution of Pennsylvania be amended to exempt private forest reserves from the requirement that all taxes be uniform upon the same class of subjects, and to permit the General Assembly, by general laws, to set up standards and qualifications for private forest reserves and make special provision for the taxation thereof?"

**Cut Timber To Pay Taxes**  
In brief, the question simply authorizes the Legislature to enact a law which would reduce or eliminate taxes on land on which

potentially marketable trees are located.

Goddard takes the position, supported by the Pennsylvania Forestry Assn., that farmers are cutting timber before it reaches full growth rather than pay full taxes on growing trees.

Fifty-two per cent of Pennsylvania's 28 million acres is covered by woods. Of the 15 million acres of woods, 3 million are owned by the state and 12 millions by the 270,000 individuals, most of them farmers.

**No Operation**  
"Farmers stand to benefit by most this amendment," he told a newsman. "I haven't heard a single voice of opposition against the plan."

The amendment appeared on the 1954 ballot but fell. He said the defeat was principally because of lack of knowledge of the intent of the amendment.

Goddard said the real estate tax loss would be comparatively little to local communities. The average tax rate for wooded land, he said, is about 25 cents an acre.

"Any measure which encourage people to grow trees and permit them to reach full maturity will also directly benefit the wood-consuming industries such as lumber, pulp-making and wood-processing plants," he added.

## ASSISTANCE GRANTS TO BE UPPED DEC. 1

HARRISBURG (AP) — Higher old age assistance and children's food allowance grants, raised by a split decision of the state Board of Public Assistance, are scheduled to go into effect by Dec. 1.

The board voted three to one Tuesday to raise old age assistance from its present average of \$49.80 a month to \$62.14. The new level meets federal minimum standards.

The raise approved to allow the state to take advantage of increased appropriations under a new federal law.

**Extra Federal Funds**  
The increase comes from a change in the public assistance provisions of Social Security amendments made by the 1958 session of Congress. Under the new plan the federal government will provide \$1,103,000 extra funds each month for the new grants and the state will provide \$130,000 each month.

Until the next biennium begins in June, current state collections in advances on the federal funds will pay for the state's share of

## Commies Again File Charge Against U.S.

TOKYO (AP)—Communist China claimed a U.S. Air Force reconnaissance plane trespassed Wednesday over the coastal mainland provinces of Fukien and Kwangtung in what Peiping called "deliberate war provocation."

The charge, made by Peiping's Foreign Ministry and broadcast by Peiping Radio, was accompanied by Red China's 39th "serious warning" to the United States since the outbreak of the current Formosa Strait crisis. The Nationalist off-shore islands are off Fukien.

The United States has denied all such previous charges.

the additional benefits.

**Only Opposition**  
Only opposition to a board resolution making the change came from Aud. Gen. Charles C. Smith, and ex officio member of the board. He opposed the resolution on grounds it gave blanket endorsement to minimum standards not covered by the new increase.

Harry Shapiro, public welfare secretary, told the board that if all the standards recommended were met, the state would have to provide 10 million dollars in new funds to bring public assistance up to the minimum level.

## PLAN HEARING ON '15' CHANGE

HARRISBURG (AP)—The state Highways Department has offered to hold a public hearing on a plan to modernize U.S. 15 between Shamokin Dam and Lewisburg.

The hearing, if requested, would deal with the economic effect on the work and not with property damages.

The department proposes to salvage the existing two-lane pavement and construct two additional lanes to provide a four-lane divided highway capable of handling higher traffic volumes. The project will extend for 8.93 miles.

LOCK HAVEN, Pa. (AP) — A 3-year-old boy, walking in the street around a spot where a construction truck blocked the sidewalk, was struck and killed by a car in nearby Flemington Tuesday night.

Roy Byerson, Clinton County Coroner, said James E. Fugate, Jr., son of Mr. and Mrs. James Fugate of Flemington, was killed almost instantly as he returned home from the store.

He said the boy was struck by a car driven by Russell Fromm of Mill Hall R.D.

## DOLLAR VALUE— PLUS

In an emergency, the value of medicine can hardly be reckoned in dollars. Medicine is priceless when needed.

Yet it is an interesting fact that nationally the average cost of a pharmaceutical prescription is about \$2.50 — and more than half of all prescriptions cost less than \$2.00. Although higher than 20 years ago, the increase in the cost of medicine lags far behind that of other, and less essential, commodities.

When you purchase a prescription, you are sharing in the fruits of scientific research. You are getting today's best buy.

## FORMER TENNIS ACES FIND GOLF MORE RELAXING

By FRANK ECK  
The Associated Press  
EAST NORWICH, N. Y. (AP) — It seemed strange watching two 190-pound 6-foot-2 men in their late 40s playing a better than fair game of golf. In the beginning it was not their sport.

Francis V. Shields, 46, and Eugene McCauliff, 49, seemed to play a strong game for fellows with 11 and 9-stroke handicaps, respectively. More than a score of years back they needed no handicap in another sport. Their game was tennis.

In fact, Shields at one time was ranked No. 1 nationally. Shields and McCauliff, now friends and Long Island neighbors, were rivals in the longest tennis doubles match ever played. Shields and George Lott, the greatest doubles player the game ever knew, opposed McCauliff and Cliff Sutter, Tulane's ex-college champion, in the annual invitation at the Buffalo Tennis and Squash Club in 1932.

**Finish In Two Days**  
The match went to 102 points and required two days to finish. Shields and Lott won the first set, 15-13. But McCauliff and Sutter won the second, 14-12.

"At 11-all in the third and final set all of us were at the point of exhaustion," recalls McCauliff. "Lott hit a drop shot and when I moved in from back court I hit the net with such force that both net posts snapped at floor level."

"When that happened after three and a quarter hours of play the officials felt it was a break for club members. They had a dinner dance planned and rather than ruin the evening it was decided to resume the match the next day."

**Goes Two Extra Hours**  
"We went at it for another two hours the next afternoon and finally beat Shields and Lott, 25-23. We wore out two referees. The third referee finished."

Fifteen minutes later, in the tournament final, McCauliff, an ex-Fordham star, and Sutter took the court against Berkeley Bell and Gregory Mangum. Gene and Cliff won the doubles crown in straight sets, 6-3, 6-4. The following year they also won the National indoor title.

Shields, who captained the 1951 U. S. Davis Cup squad, now is a trustee in the Boys' Club of New York. Recently he directed its \$50,000 golf tournament at Pine Hollow.

McCauliff, now a general chemist, says he has no interest in tennis any longer. "And right now my son Gene, 15, can beat me at golf. He's on the Chaminade High varsity and shoots in the mid-70s."

## Old, Dry Cistern Is Tornado Shelter

GRAND RAPIDS, Mich. (AP) — A nearby Sparta farmer has solved a problem of a tornado shelter by pumping an old cistern dry and converting it into a safe underground place for tornado weather.

Lyle Anderson said the project didn't cost a cent. He pumped the cistern dry with a fruit spray rig and stocked it with drinking water, blankets, tins of food and personal records plus a transistor radio.

TOLEDO, Ohio (AP) — Challenging adults to provide inspiration and leadership for young people, a minister's daughter here declared:

"If we are a Beat Generation, let it be recognized that we are riding the up-beat."

She is Jean Deitch, daughter of the Rev. and Mrs. Russel A. Deitch and a student at Hiram (Ohio) College. Her remarks were made in a talk from her father's pulpit at Hampton Park Christian Church.

NEW YORK (AP) — Jose Ferrer, one of the current theater's most active multiple-talent workers, is coming back to Broadway to portray one of the Victorian Era's most famous actors, Edwin Booth.

Ferrer is to be involved in "This Was Edwin Booth" as star, co-producers and director. The drama has been written by Milton Geiger.

## ON THE JOB TRAINING

DETROIT (AP) — Robert Ford, 34, of Detroit, wants to go back to prison to continue his education. Police found him sitting on the curb in front of a smashed window of a photography shop holding a camera he admitted taking from the window display. "I want to go to prison and learn a trade so I can get a job," police quoted him as saying. "I did this before in Chicago but I didn't learn enough. I need to go back to prison."

## TRAFFIC AID

TUCSON, Ariz. (AP) — Tucson police noticed that traffic suddenly began proceeding at a sedate and orderly pace after they set up their radar on East Broadway. Business stepped up, however, when a sign on the next block was discovered and removed. The sign said:

"Look out! Cops using radar."
